"Mud Pies."

Behind the house a play ground
For the little children lies;
And there they are noisy and busy
Making mud pies.

I sit at an open window
Watching their serious play,
And smile at the deep illusion
Of all they say.

For one insists that her way
Is better than all the rest;
But others, who much like her,
Call their way best.

And my mind, from the scene before me,
Goes out to the world of men;
To the things that are, and ever
Shall be again.

Till I wonder if angels viewing
The marvelous ways of earth—
The schemes and the anxious efforts—
Ne'er feel mirth.

If when we struggle and travail,
And deem ourselves most wise,
They smile not, and call us children
Making mud pies.

ODDS AND ENDS.

Pacific mails—Quiet husbands.

Chairs should not be covered with silk but satin.

VERB.—"To live" has but one tense,—the imperfect.

Who is our most distant relation? Our Aunt Tipodes.

AN IMPOSSIBLE REQUEST.—To ask any one to "stop a minute."

A marriage on a railway train may properly be termed a railroad tie.

AXIOM FOR THE KITCHEN.—Things rubbed against a grater become less.

Machinery wheels are so modest that they generally travel in cog.

Query—would you open a dead lock with a skeleton key?

When is an artist a very poor artist? When he can't draw a check.

What is the difference between an article put up at auction and sin? One is bid for, and the other forbid.

When a man turns his horses to pasture, what color does he change them to? He turns them into graze (grays).

Why does one become a spiritualist in cold weather? Because he then believes in wrappings.

'What is your name, little girl?' "Minnie." "Minnie what?" "Minnie Don't, Mamma calls me."

If speech if silver and silence is gold, how much is a deaf and dumb man worth?

An Irishman says that he ran away from his father because he discovered he was only his uncle.

"I'm particularly uneasy on that point," as the fly said when the boy stuck him on the end of a pin.

QUERY.—Can anybody explain why late comers and early goers at popular lectures invariably have creaky boots?

"The one thing," says Jean Paul, "which a maiden most easily forgets is how she looks—hence mirrors were invented."

Charles Lamb, when speaking of one of his rides on horseback, remarked that, "all at once his horse stopped, but he kept right on."

The following question is respectfully addressed to the clergy. Is a person who sits in the gallery of the church responsible for deeds done in the body?

PRISON THOUGHT.—"When's a Christian," said a Poacher in gaol to himself, "starved the same as a hare?—When he's jugged, like I be."

"Hard times" socables are fashionable in Western Pennsylvania. The guests appear in patched clothing and the refreshments consist of mush and milk and baked potatoes.

"You cannot taste in the dark," said a lecturer. "Nature has intended us to see our food." "Then," inquired a forward pupil, "how about a blind man at dinner?" "Nature, sir," answered the Professor, "has provided him with eye teeth."

President Natt, in his wise old age, once took a newly-married couple aside, and said: "I want to give you this advice, my children: Don't try to be happy. Happiness is a shy nymph, and if you chase her you will never catch her. But just go quietly on and do your duty, and she will come to you."

A certain farmer having company at dinner was ambitious to make it appear that he was somebody. Addressing his boy, he said: "Have you driven those sheep in?" "Yes sir." "Are you sure you drove them all in?" "Yes, sir; I saw him jump over the bars." He had but one.

Muggins was out one day with a friend, when he observed a poor dog that had been killed lying in the gutter. Muggins paused, gazed intently at the animal, and said, "Here is another shipwreck." "Shipwreck! Where?" asked his friend. "There is a bark that's lost forever," replied Muggins. His companion growled, and passed on.

NEW EDITION OF WALKER.—The Baker rolls. The Butcher shambles. The Banker balances himself well. The Cook has a mincing gait. The Livery-stable keeper has a "*missing* gait." The Excursionist trips along. The Fashionger flounders on. The Poulterer waddles like a duck. The Gardener does not allow the grass to grow under his feet. The Grocer treads gingerly. The India rubber manufacturer has an elastic step. The Rogue snuffles, and the Doctor's pace is killing.

THE COMING RACE.—While Mas'ames Wilkins and Perkins are discussing grave school-board matters and Parliamentary business, their respective husbands are engaged on a topic more genial to their softer natures and weaker intellects. "Isn't she a darling pet, Fred? And just fancy—two front teeth and only four months last Tuesday week!" "Well, I never! Why my darling ickle Totty hasn't cut a single tooth, and he's six months to-morrow! How do you feed her, Tom?"

TOO MUCH OF A GOOD THING.—Mr. Peter Glass, minister of Crail, about the middle of the eighteenth century, was one of the old school of Scottish Presbyterian clergymen, and addressed himself in familiar terms to the Almighty—spoke to individuals of his congregation during public worship—and invariably preached in good broad Scotch, using all the homely technical terms appropriate to the subject he had in hand. His parishioners being mostly fishermen, he was praying one day "that the Lord would fill the men's boats wi' herrin', up to the very two holes"—that is, up to the spaces in which the oars rest—when one of the persons concerned roared out, "Na, no that far, sir, or we wad a' be sunk!"

OPEN CONFESSION.—In a Fifeshire manse, the conversation of a large party one evening turned on a volume of sermons by a fellow-preacher, which had just been published with considerable success, and was supposed to have brought a round sum into the hands of the author. When the minister's wife heard of what had been made by the volume, her imagination was excited; and, turning to her husband, who sat a little aside, she said—"My dear, I see naething to hinder you to print a wheen o' your sermons, too. If you could get as much money for them as Mr.——'s gotten, it would be a great help to us." "Dood, wife, to tell you the truth, my sermons were a' printed lang syne," said the candid minister in his wife's ear.

AN IRISH PLAN OF SWEEPING A CHIMNEY.—A County Cork farmer told a friend a cheap receipe for sweeping chimneys. "Get a goose, and tie it by the leg to a long piece of string; light a little fire in the grate, and hold the goose over it. The flames will make the bird fly up, and the spreading of its wings will bring down the soot in the chimney. When it has got to the top you can pull it down by the string back to the fire." His friend thought the plan an excellent one, only for the cruelty to the goose. "Oh, I never thought about that," said the other, "but I suppose a pair of ducks would do as well." This idea of diminishing the cruelty by doubling the number of the victims could only have occurred to an Irishman. That type of Celt will always exist.

TO THE PUBLIC OF

British North America.

IN consequence of frauds that have been practised upon you by two or three individuals (who for a time took the name of the "New York Chemical Company") making and selling something which they call "Holloway's Pills and Ointment," and which, for a season, were freely sold in many parts of the British Provinces as my genuine Pills and Ointment, I have for some time past considered it my duty to caution the public, through the medium of the press, against buying these spurious articles.

Judgments have been obtained against this Bankrupt Crew; in one case by a Mr. Cassard, who, when about to levy, at the latter end of October last, found the name of the Chemical Company had been painted out and that of Samuel Vose substituted.

Many respectable Firms in the British Provinces, who obtain my medicines direct from here, have very properly suggested that I should, for the benefit of themselves and the public, insert their names in the papers, that it may be known that my medicines can be had genuine from them.

The following is a list of the Firms alluded to; and I particularly recommend those who desire to get my medicines to apply to some of the Houses named:—

Messrs. Avery, Brown & Co., Halifax, N. S.
Messrs. Forsyth & Co., Halifax, N. S.
Messrs. T. B. Barker & Sons, St. John, N. B.
Mr. T. Des Brisay, Charlotte Town, P. E. I.
Messrs. Langley & Co., Victoria, B. C.
Messrs. Moore & Co., Victoria, B. C.
Dr. John Pallen, Chatham, N. B.
Messrs. Munro & Co., Montreal.
Mssrs. J. Winer & Co., Hamilton, Ont.
Mr H. J. Rose, Toronto.
Mr. A. Chipman Smith, St. John, N. B.
Mr. John Bond, Goderich, Ont.
Messrs. Elliot & Co., Toronto.
Mr. J. Chaloner, St. John, N. B.
Messrs. Hanington Bros, St. John, N.B.
Mr. R. S. Priddy, Windsor, Ont.
Mrs. Orpen, Morden, N. S.
Mr. George C. Hunt, Jun., Fredericton, N. B.
Mr. W. H. Thompson, Harbor Grace, N. F.
Mr. J. M. Wiley, Fredericton, N. B.
Messrs. W. & D. Yule, Montreal.

My Pills and Ointment are neither manufactured nor sold in any part of the United States. Each Pot and Box bears the British Government Stamp, with the words, "Holloway's Pills and Ointment, London," engraved thereon.

The medicines are sold at the lowest wholesale prices, in quantities of not less less than £20 worth—viz, 8s. 6d., 22s., and 34s per dozen boxes of Pills or pots of Ointment, for which remittances must be sent in advance.

THOMAS HOLLOWAY.

N. B.—Chemists and other vendors of Holloway's genuine Pills and Ointment may have their names inserted in the local papers if they will please apply here—

533, Oxford Street, W. C.,
London, Dec. 1, 1873.

IT IS NOT WHAT YOU EAT BUT WHAT you digest that makes you strong. Unless the food taken is perfectly dissolved, assimilated and converted into pure blood, general nervous and physical prostration inevitably result; the whole system is impoverished; degeneration of the organs and tissues follows, and if there be hereditary predisposition to scrofulator consumption it will surely be developed and the constitution gradually broken down. The foundation of good health and a sound mind is a vigorous stomach and perfect nutrition. Dr. Wheeler's Compound Elixir of Phosphates and Calisaya is Nature's own remedy for derangements of the digestive organs, purely physiological, harmless, and positively certain to restore nervous and muscular force.

DR. J. BELL SIMPSON'S
Specific and Tonic Pills.

THE GREAT ENGLISH REMEDY FOR NERVOUS Debility, Spermatorrhœa Nocturnal Emission of the Generative Organs, Palpitation of the Heart, Trembings, Sleeplessness, the effect of over-indulgence in alcoholic stimulants and tobacco, &c. DR J. BELL SIMPSON'S Pills are the only effectual ones for the above diseases, and are never known to fail. They have already cured hundreds in this country. Robert Arthur, machinist, Hamilton, testifies to his recovery by them unsafe, certain and rapid in action, a short trial will prove their efficacy. No sufferer need despair of being relieved from the frightful effects of Seminal Ansea. The Specific Pills are sold by Druggists at $1.00 a box, and the Tonic Pills at 50c. a box, or they will be sent by mail, postage pre-paid, and securely wrapped from observation, on receipt of $1.00 for the Specific, and 50c. for the Tonic Pills by

VINEGAR BITTERS

VEGETABLE — FREE FROM ALCOHOL

PURELY D. WALKER'S CALIFORNIA

VINEGAR BITTERS

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Prove that our Instruments in the opinion of competent judges are incomparably superior to all others.

Sole Proprietors and Manufacturers of the

ORGANETTE,

Containing Scribner's Patent Qualifying Tubes, acknowledged by all to be the greatest improvement yet introduced. Their superiority is conceded by other makers from the fact that at Guelph they withdrew from competition, thus acknowledging their inability to compete with them.
