New Westminster, May 20.—The Regina aggregation of challengers for the Minto cup, carrying with it the lacrosse championship of Canada, went down to defeat before the New Westminster team today in a game, which, to the specturors, looked like a case of playing rag all around the easterners. The score certainly does not indicate the difference between the two teams, as the Royal City team undouctedly considered the relation which a disproportionate score would have on the receipts at the box office.
