The Suits You Think are Hopelessly Soiled!
 Doubtless you have several suits that you have given up wearing because they look old, dingy and faded, but the chances are that all they need to make them wearable is a thorough cleansing and pressing.

A CRYSTAL LIGHT.
 Doesn't that suggest a clear, bright light? That is why the name CRYSTALITE was chosen.
 TEXACO CRYSTALITE is a crystal light, giving forth mellow, penetrating rays. It gives no smoke nor smell, and is good to the last drop.
 TEXACO CRYSTALITE will not fluctuate, it gives a steady glow.
 The next time you buy illuminating oil don't merely ask for "a gallon of kerosene". Ask for TEXACO CRYSTALITE and find out why this illuminating oil is known as "the light of the home".
 TEXACO CRYSTALITE costs no more than ordinary kinds and most good stores have it.
 Remember the name. It will be worth your while to discriminate.
