### BUICK

I HAVE BEEN DRIVING BUICKS FOR THE LAST 12 YEARS.

Bethlehem, Washington. I have been driving a Buick for the last twelve years. I buy a new car every four years, and I have just bought my fourth Buick, a 1925 seven-passenger Sedan.

I have always felt that the Buick is a most dependable car in every respect, and that I received great value for the money I paid for them, and I am especially well pleased with this latest model.

Buick four-wheel brakes give one such a feeling of safety and security that I shall never drive a two-wheel brake car again. I am very much pleased with the Fisher VV windshield and this particular feature has been the admiration of all who have seen it.

HENRY SCHUPP, Managing Director, Hotel Leopold, Henry.
