Fall Wheat—This grain comes in very slowly, and chiefly from the northern townships, such as Normanby, Carleton Place, etc.

Oats—Coming in slow, demand somewhat duller than for other grains; slight advance since last week.

Peas—Large delivery, with no alteration in price.

Butter—Little brought in, and the prices steady at from 12c to 14c.

Cheese—Very little home-made cheese offering, and all the cheese yet ready at the factories of Messrs. Shortland and Harland has been bought by Mr. Brill at 9c per lb.

SPECIAL NOTICES.

WHAAT a glorious country is the East, where they have no such chilling winds, and cold stormy blasts, to wreck the constitution. But yet, although the climate here is ordered thus, Nature has kindly endowed mankind with the conquering power of wielding an all-sufficient weapon against the enemy Disease.

But if there be any part of the body any affected, such as a boil or ulcer, even a bruise, the blood circulates through that part takes up impure matters from the local affection and carries it to the general system.

COUGHS AND COLDS. Sudden changes of climate are sources of Pulmonary, Bronchial and Asthmatic affections. Experience having proved that simple remedies often act speedily and certainly when taken in the early stages of the disease, recourse should be at once had to "Brown's Bronchial Troches," or Lozenges. Few are aware of the importance of checking a cough, or "common cold," in its first stage. That which in the beginning would yield to a mild remedy, if neglected, soon attacks the lungs. "Brown's Bronchial Troches," or Cough Lozenges, allay irritation which induces coughing, having a direct influence on the affected parts. As there are imitations, be sure to obtain the genuine. Sold by all dealers in medicine at 25 cents a box.

MOTHERS! MOTHERS! MOTHERS! Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of Mrs. Winslow's Soothing Syrup, it will relieve the poor little sufferer immediately—depend upon it: there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Price 25 cents. Sold everywhere. Be sure and call for Mrs. Winslow's Soothing Syrup. All others are base and dangerous imitations. Oct. 3-2m

PROOFS OF THE SUPERIOR QUALITY OF THE AMERICAN WATCH MADE AT WALTHAM, MASS.

Referring to their advertisement in a previous issue of this paper, the American Watch Company, of Waltham, Mass., respectfully submit that their Watches are cheaper, more accurate, less complex, more durable, better adapted for general use, and more easily kept in order and repaired than any other watches in the market.

How they run under the hardest trial watches can have, is shown by the following letters: PENN. RAILROAD COMPANY.

Office of the General Superintendent, Altoona, Pa., 15th Dec. 1866. GENTLEMEN:—The watches manufactured by you have been in use on this railroad for several years by our engineers, to whom we furnish watches as part of our equipment. There are now some 300 of them carried on our line, and we consider them good and reliable time-keepers. Indeed, I have great satisfaction in saying your watches give us less trouble, and have worn and do wear much longer without repairs than any watches we have ever had in use on this road.
