American Produce Market.

CHICAGO.

Chicago. April 5. - The wheat market today was weak, almost uninterruptedly from the opening to the close. The news was of character to dampen the ardor of bulls and to impart courage to the short seller. All European markets were low, Liverpool declining 11d, London 3d to 6d, Paris 10 centimes Berlin mark. Towards the close the weakness became more pronounced, and final quotations were almost at the inside for the cassion. May wheat onesd from 60% to 60% or content. quotations were almost at the inside for the session. May wheat opened from 69½c to 69½c, sold between 69½c to 70c and 69½c to 69½c, closing at 69½c—1½c to 1½c under Saturday. Cash wheat was weak and 1c lower. Corn declined ½c to ½c for May and ½c to ½c for cash. May oats were unchanged and cash ½c lower. Provisions were lower.

The leading futures closed as follows:

cline in prices. Quotations: Best cattle, 3%c to 4%c; fair, 3c to 3%c; common, 2%c to 2%c; calves, \$1 70 to \$6 each; old sheep, 3c to 3%c; yearlings, 4%c to year, but ample compensation for any bors 5%c to 5%c. in the boiled down fun which will reward any one who will pay a visit to a well-managed sugar camp.

On the first of April a party of Londoners visited the camp of Mr. John Kennedy, on the twelfth concession of day, 19,000; left over, 2,500; market active, at 5c to 10c decline. Estimated receipts of hogs tomorrow, 26,000; light, When the trip was suggested everyone looked forward to a drive over muddy roads with perhaps a downpour of rain thrown in. However, the clerk of the weather was in a frolicsome mood, and they were all fooled by having an ideal Canadian spring day, with a clear sky overhead, and a bright warm sun to temper the air. As the carriage rumbled along over roads which another day would make dusty the party commented on the medieval institution of tollgates which had outlived several famous wayside inns, and discussed the prospects for a day's sport in the woods. Finally the end of the journey was reached, and after a

Arrived at the edge of the woods, a good butchers', \$3 25 to \$3 50; sausage lots, \$2 75 to \$3 25; stockers and feeders, lower; good, \$3 65 to \$3 90; extra Canadas, \$4; stockers, \$3 25 to \$3 50; stock heifers, \$2 75 to \$3 15; stock bulls, \$2 50 to \$3; fresh cows, \$2 to \$3 a head higher; veals dull and lower; common to heigh \$3 to \$3 25. choice, \$3 to \$5 25.

Hogs—Receipts, 31 cars through; 130 cars on sale; market active and 10c lower; Yorkers, \$4 20; light, \$4 22½; mixed mediums and heavy, \$4 20; pigs. \$4 15 to \$4 20; roughs, \$3 60 to \$3 90; stags, \$2 75 to \$3 40.

Sheep and Larghe Receipts 11 cars Sheep and Lambs-Receipts, 11 cars robins and black birds held complete Sheep and Lambs—Receipts, 11 cars through; 81 cars on sale; market steady having not yet left heir winter quar-

gash in the tree, has been superseded by a great tin pale which is attached of Canada stockers and feeders on sale.

Notwithstanding the retroactive clause

But perhaps the greatest change is that within the shanty itself. The old at \$5 to \$5 75; choice heavy wethers sold at \$4 90 to \$5 10; fall clipped lambs, good to choice, \$5 50 to \$5 75; clipped wether sheep, \$4 35. ling out a purer and better syrup. The evaporator in use on Mr. Kennedy oremises is known as the "Champion and is an exceedingly good one. A number of pans connected by siphons are arranged on the furnaces and are fed automatically from the tank con taining the sap by a float which causes a valve to be opened when the level falls in the pans. In each of the pans, corrugated so as to gain all the advantages of the heat, the liquid be omes more and more condensed unti om a three weeks' visit with friends it arrives at the last one. In the last

pan a thermometer is kept and when the temperature of the liquid reaches 219 degrees Fahrenheit the syrup has tacle. The syphons are also provided with strainers to catch any solid matkeep out the dust.

hat it was possible to get too much of for. The mode of heating favored is a good thing. However everyone was the hot blast system, which is the delighted with the day spent in the same as in use at the First Methodist ugar bush.

A word of advice to farmers might There is no reason why thrifty farmer cannot make the mapl f his income. Dr. W. J. Chamberlain College and late secretary of the Ohi State Board of Agriculture, writing in the Cultivator and Country Gentle man says: "The net profits per acre I think, of a really good sugar camp where the trees are thrifty and stand thickly on the ground are as great as work is not pressing, and the trees re unless abused will live a long time or great mistake to cut down a

Just Two kines

-But they're good lines-bang-up lines. Bought them at a bargain price, and here's your chance for a stylish pair of Spring Shoes. Don't know why the manufacturer didn't ask more for such splendid goodsthey're worth more. He may have thought these stringent times wouldn't let him sell if he asked more. However that may be, we're glad to announce that we have the goods and that they are here for you to take away-and when you see them you'll take them away. They appeal to the fancy and to the purse.

Kid Boots, SI

Dongola Kid, all sizes, buttoned or laced, worth at least \$1 35. Seek them early. The saving is so apparent that to see them means to buy. A great number of ladies want new spring Shoes-are on the lookout for them-which means that if it's a pair of these you want a delay of a day may spoil your chances. The second line is

Kid Oxfords, 89c

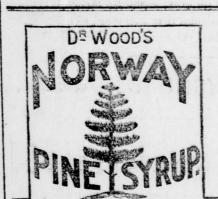

Dongola Kid Oxfords, all sizes, worth all of \$1 15, and sold for more by other dealers. The same style in hand turns at \$1, worth \$1 35. See what you save by dealing here. Of course this is an extraordinary chance.

The Kid Talks

The kid in these lines speaks for itself. It is of a fine, durable quality-looks well, wears well, and costs less than any we ever saw of same material and finish offered elsewhere.
