EVERETT-MOORE EMBARRASMENTS

Recent Purchases Made at Windsor, Ontario.

Nothing Owing to Canadian Stockholders—A Wall Street Explanation.

Windsor, Ont., Jan. 4.—The Everett-Moore syndicate purchased the Sandwich, Windsor and Amherstburg Street Railway, the Windsor City Railway and the People's Electric Light Plant of Windsor last August, paying \$21,000 cash, assuming the bonded debt of \$150,000, and agreeing to pay the balance, said at that time by W. J. McKee, M.P.P., treasurer, to have been \$220,000. The deal was closed on Oct. 30, the Windsor stockholders stating that they had been paid cash in full for their holdings. None of the Windsor men retained any interests in the new company. At the time the Windsor stockholders stated that they were well pleased at the price they received for their interests. The railway, including switches, is 10 miles in length.

Since purchasing the S. W. and A. Street Railway the Everett-Moore syndicate has obtained the charter and franchise of the South Essex Electric Railway Company, which held the right to build an electric road from Windsor to Point Pelee, via Amherstburg, Harrow, Kingsville and Leamington. The Everett-Moore syndicate recently made application to the Ontario Legislature for a renewal of the charter of the Sandwich, Windsor and Amherstburg Street Railway Company, asking permission to extend the road south to Amherstburg and east to a point near the village of Tecumseh in Essex County. They also applied for permission to float a million dollars in bonds, presumably to build extensions to the road.

The combined capital of the companies controlled by the Everett-Moore syndicate is estimated at \$125,000,000.

CAUSE OF THE TROUBLE.

Special Correspondence, Detroit News.

Cleveland, Ohio, Jan. 4.—H. R. Newcomb, chairman of the committee of bankers acting as trustees for the Everett-Moore syndicate, says the financial trouble is due to the syndicate's fatal mistake of building property before financing it.

Henry A. Everett has given out the earnings of the Big Consolidated street railway system in Cleveland for 1901 as \$2,202,000, an increase of \$229,000 over 1900. The regular quarterly dividend will be paid on Saturday.

WALL STREET EXPLANATION.

New York, Jan. 3.—The troubles of the Everett-Moore syndicate did not come as a surprise to Wall Street bankers, who say these interested are principally investors and bankers throughout Michigan, Ohio and Indiana, and that only indirectly will eastern financiers feel the effect of the passing of the trolley lines into the hands of bankers.

The syndicate's attempt to build a line parallel to the Lake Shore, a part of the New York Central system from Cleveland to Toledo, led to the rumor that the New York Central management intended to buy out this opposition. It is asserted here, however, that failure to sell to the Lake Shore has caused the financial difficulties of the Everett-Moore syndicate managers.

WILL COME OUT ALL RIGHT.

Cleveland, Ohio, Jan. 3.—H. R. Newcomb, chairman of the committee of bankers, chosen to take charge of the financial affairs of the Everett-Moore syndicate, stated today that telegrams were being received from many out-of-town creditors, approving of the steps taken, and agreeing to the proposition to give an extension of 15 months on the paper of the syndicate.

He added that the committee felt confident that the affairs of the syndicate would be speedily placed on a solid financial basis, and that the various constituent properties would not suffer in the least.

ATTEMPTED SUICIDE.

Sandwich, Ont., Jan. 3.—David Haugh, Bedford street, attempted to hang himself with a rope attached to a spike in the wall in his room. One of his children found her father lying unconscious on the floor with the rope around his neck, the spike not having been strong enough to support his body.

HIS SERVICES WERE APPRECIATED.

Ask in Street Church Board Expresses Regard for Mr. W. Philip.

At a recent meeting of the board of trustees of the Ask in Street Methodist Church, the following resolution was unanimously adopted:

"That we have pleasure in placing on record our very high appreciation of the services rendered by Mr. W. Philip, as organist and choirmaster of our church, during the past three years.

"His capability for his work as organist and his willingness and efficiency in all the interests of the church have given the utmost satisfaction to pastor and people and to the public generally. We deeply regret his resignation, which we very reluctantly accept, and assure Prof. Philip of our sensibility of the loss we sustain in his removal and our best wishes for the future welfare of himself and family wherever their lot may be cast. We wish also to emphasize our appreciation of the services so voluntarily and cheerfully rendered, of the Misses Philip, as leading soprano, and wish for them a happy future in the use of their talents in the church of Christ."

Signed by order and on behalf of the trustee board: W. Holmes, pastor; James Burns, chairman; J. A. Childs, secretary.

Mr. Philip has received the appointment of organist and choirmaster of a church in a southern city, the directorship of the Citizens' Band and a position in the University of Southern Virginia.

ILDERTON.

Iderton, Jan. 3.—Master Fred Clatworthy has returned home from Granston, where he was visiting his brother, Mr. John Clatworthy, of that place.

Mr. J. C. P. Hughes has been dangerously ill from the effects of a hurt which turned to blood poisoning. The Woodmen Lodge gave a grand dance in the I. O. O. F. hall here. The

Does Not Disappoint The New Discovery for Catarrh Seems to Possess Remarkable Merit.

A new catarrh cure has recently appeared which so far as tested has been remarkably successful in curing all

forms of catarrh, whether in the head, throat, bronchial tubes, or in the stomach and liver.

The remedy is in tablet form, pleasant and convenient to take and no special secrecy is maintained as to what it contains, the tablet being a scientific combination of blood root, red gum and similar valuable and harmless antiseptics.

The safe and effective catarrh cure may be found at any drug store under the name of Stuart's Catarrh Tablets. Whether the catarrh is located in the nose, throat, bronchial tubes, or stomach, the tablets seem to act with equal success, removing the stuffy feeling in head and nose, clearing the mucous membrane of throat and trachea from catarrhal secretions, which cause the tickling, hawking and gagging so annoying to every catarrh sufferer.

Nasal catarrh generally leads to ulceration, in some cases to such an extent as to destroy the nose entirely and in many old cases of catarrh the bones of the head become diseased.

Nasal catarrh gradually extends to the throat and bronchial tubes and very often to the stomach, causing that very obstinate trouble, catarrh of the stomach.

Catarrh is a systemic poison, inherent in the blood, and local washes, douches, salves, inhalers and sprays can have no effect on the real cause of the disease. An internal remedy which acts upon the blood is the only rational treatment, and Stuart's Catarrh Tablets is the safest of all internal remedies, as well as the most convenient and satisfactory from a medicinal standpoint.

Dr. Eaton recently stated that he had successfully used Stuart's Catarrh Tablets in old chronic cases, even where ulceration had extended so far as to destroy the septum of the nose. He says, "I am pleasantly surprised almost every day by the excellent results from Stuart's Catarrh Tablets. It is remarkable how effectively they remove the excess of mucus, and bring about a healthy condition of the mucous membranes of the nose, throat and stomach."

All druggists sell complete treatment of the Tablets at 50 cents and a little book giving the symptoms and causes of the various forms of catarrh, will be mailed free by addressing F. A. Stuart & Co., Marshall, Mich.

Route band furnished the music, while our old reliable floor manager, Mr. Walter Douglas, had control of the floor.

A few of the friends of Mrs. Williams and family gathered at the Williams home on New Year's Eve to see the old year out and the new year in. The Robb family spent New Year's night with Mr. William Coleman, of Birt.

Obtained \$1,000 by Private Subscription and City Paid Over Grant of \$250.

The directors of the Children's Aid Society are congratulating themselves on the accomplishment of an object which they set out to attain at the beginning of 1901. The city council granted \$250 to aid in paying for the society's new shelter home, on condition that \$1,000 was raised by private subscription. A couple of days ago the society's officers furnished satisfactory proof to the city treasurer that the money had been subscribed, and a check for \$250 was handed over. The subscribers to the fund are the following:

Messrs. George Robinson, Dr. Eccles, V. Cronyn, D. S. Parry, J. I. A. Hunt, Sheriff Cameron, T. B. Escott, George C. Gibbons, W. H. Wortman and E. Leonard & Sons, and Mrs. John Seattle (Elmhurst). SURE REGULATORS—Mandrakes and Dandelion are known to exert a powerful influence on the liver and kidneys, restoring them to healthy action, inducing a regular flow of the secretions, and imparting to the organs complete power to perform their functions. These valuable ingredients enter into the composition of Farnie's Vegetable Pills, and serve to render them the agreeable and salutary medicine they are. There are few pills so effective as they in their action.
