YOUR STOMACH **ICE MOTOR INVENTED**

It Is Overworked and Wants Rest -Dodd's Dyspepsia Tablets Will Do

ly everyone you meet is following his or her fad-it may be drinking hot stomach, overtaxed by hurried, halfchewed meals, is on strike.

The stomach wants rest. It must have it. You can't quit eating, so you must provide something to do the digesting while the stomach rests. Dodd's Dyspepsia Tablets' are especially prepared to do this work. Do they do it? Listen to the testimony of those who have tried. Maurice Best, of Southern Harbor, Nfld., is one of them. He savs:

"I suffered for eight years with Dyspepsia and was in continual misery. Sometimes I would go off in a faint and for ten or fifteen minutes would be more dead than alive. The first two boxes of Dodd's Dyspepsia Tablets gave me new life. I am using them now and feel like a new man."

The record yield for timber from one tree is 80,000 feet, from a redwcod 20 feet in diameter, cut last year in Cal-

THEY ARE CAREFULLY PREPAR-ED.-Fills which dissipate themselves in the stomach cannot be expected to have much effect upon the intestines, and to overcome costiveness the medicine ad-ministered must influence the action of these canals. Parmelee's Vegetable Fills has be are so made, under the supervision of experts, that the substance in them intended to operate on the intestines are retarded in action until they pass through the stomach to the bowels.

Bells are never used in Mohammedan the mosques. The Moslem race detests bells under the delusion that they cause the assemblage of evil spirits.
