### A Sale of Women's Whitewear.

Tuesday, July 2nd, we enter upon the second week of our sale of Women's Underwear, Corset Covers, Underskirts, Gowns, Drawers, Etc., Etc. The past week's sales in this department beat any sales record ever established. Reason-Prices are low; perhaps not as low as you may be asked for worthless trash, but much lower than reliable, first-class goods can be had for at any other store in Canada

It is gratifying to find that after all people discriminate-that they know the store that carefully watches the workmarship, the cutting and the mater-ials used and every trifling detail of manufacture, and act accordingly. Study these prices. They are but a small fraction of the whole, and you can find many more equally good bargains here.
