

PROMOTION HOTEL FOR CAMPBELLTON

Business Men Endeavoring
to Form Company and
Erect Hotel.

BADLY NEEDED

A number of local business men headed by Mr. David Richards are endeavoring to promote a joint stock company to erect a first class hotel here. A number of the married men are behind the proposition and the outlook is encouraging.

Plans for a fine building have been prepared and the promoters are endeavoring to interest additional capital. It is estimated that the house will cost between forty and fifty thousand dollars, and will be up-to-date in every respect.

At the present time Campbellton needs a first class hotel in the worst way. Business men and commercial travellers are obliged to stay at Matapedia or Dalhousie over night, and depend on trains to get into Campbellton the next day. Such an enterprise should have the earnest support of all married men having the best interests of Campbellton at heart.

Mr. Jos. Daubois, owner of the Waverley Hotel lot has agreed to place his lot at the disposal of the proposed company, and several other men have agreed to take stock. Already about twenty-five thousand dollars have been subscribed.

Summer school of science has not forgotten the session they held in Campbellton 10 years ago as shown by the following letter to Mayor Murray, enclosing a check for our relief fund at the close of their session at Liverpool N. S.

Liverpool, N. S., July 30, 1910.

His Worship, Mayor Murray,

My dear Dr. Murray:—

You have received from Mayor Mulhall, of Liverpool, a draft for \$125 raised by the Summer School of Science and the town of Liverpool. We usually have a concert at the school to supplement our funds. In view of your misfortune, and in remembrance of the many courtesies your town as a whole and particularly your own self showed the school, I suggested that the whole proceeds be forwarded to our suffering friends to remind them that the school has a memory and that unstinted kindness has an influence which may show its results in unexpected places. I was sorry that the sum was not larger, but we send what a full house gave us, and send it in the spirit you

3,000 YEARS AGO THE EGYPTIANS CURED DISEASE WITH FRUIT

To-day, Canadians Are Doing
It With "Fruit-a-lives"

—The Famous Fruit Medicine

We are apt to consider the age we live in as the most wonderful age that the world has ever known. It is, in many respects. Yet the ancients surpassed us in some things. Engineers of our 40-story skyscrapers still marvel at the massive pyramids and the sphinx. So, too, the Egyptian physicians of 3,000 years ago, used fruit juices as a medicine for treating blood trouble, liver and kidney disease, and stomach weakness. Their method of mixing fruit juice as a medicine, is also one of the lost arts. A well known Canadian physician, however, perfected a method of utilizing fruit juices, which is one of the greatest discoveries of modern medical research. "Fruit-a-lives" is the natural cure for Chronic Constipation, Biliousness, Indigestion, Torpid Liver, Kidney Disease, Pain in the Back, Bad Complexion, Rheumatism, Nervousness, Headache and Neuralgia.

50c. a box, 6 for \$2.50, or trial box, 25c. At all dealers, or from Fruit-a-lives Limited, Ottawa.

THE OLD HOME

(On hearing that it was destroyed by fire.)

And so they say my mother
The "Auld Hoose" stricken lies
Its blackened embers scattered
Beneath the pitying skies.

But Mother while your grieving
For the home that used to be,
Let me tell you of a picture
That I brought away with me.

A picture of the old home
That hangs on memory's wall,
Where no changes can attend it
And no mischance e'er fall.

In a lowly place lying,
With the great rough hills to screen,
Is the cottage I remember
Thro' for years I have not seen.

On its walls a wealth of ivy
Tells of vines you set with care
(Pretty vines that never languished
Till we left the old home there.)

An old garden sweeps around it,
And beside the broad brook flows;
Oh Mother can't you see it too?
The scene my picture shows?

And in the morning sunbeams
As I stood so long ago
I am standing in that garden
While its sweets about me blow.

Where the lilac and narcissus
Swing their censers in the air
Where the apple bloom but shortly
Strewed the ground a shower fair.

Every avenue thro' flowers
Led you to that cottage door,
Every wind that stirred their petals
Loosened perfumes to you bore.

Dear Mother as I ponder
I'm living there again
I hear the waters flowing
In that familiar glen.

Where our home lay in its bosom
And the old hills looking down
Imparted an attraction
As methought the whole to crown.

So it matters not what changes
In the course of years may come,
I will still my picture cherish
I will still have my old home.

EUCCHARISTIC CONGRESS MONTREAL SEPT. 6-11

Headed by a special representative of His Holiness the Pope, and with five cardinals, two hundred and sixty bishops, innumerable priests, the list of those who will officiate at the Eucharistic Congress in Montreal is certainly an imposing one. And when it is considered that Montreal is the greatest stronghold of Roman Catholicism on the North American continent, with its halo of church romantic history, its magnificent churches, the Parish Church of Notre Dame and St. James' Cathedral of world wide repute, its hundreds of Roman Catholic institutions, there is no wonder that the Canadian Metropolis feels the honor conferred upon it and will once more display that hospitality for which it is noted. Aside from its educational aspect visitors will have an opportunity of taking part in or seeing some of the most impressive ceremonies, such as the official welcome of the Cardinals, the official opening of the Congress in St. James' Cathedral Sunday, Sept. 3rd, the civic reception to the Papal Legate, the midnight mass in the Church of Notre Dame (seating capacity 15,000, and has been known to hold 20,000), the Pontifical High Mass in the open air on Friday at the altar specially built at the foot of Mount Royal. Sunday the solemn procession of the Blessed Sacrament.

Intercolonial Railway is making specially low fares to Montreal in this connection the tickets being good for travel September 3rd to 10th inclusive and good for return leaving Montreal not later than Sept. 15. A large delegation is expected from the Maritime Provinces, many reservations having already been made and those intending witnessing this unique event in Canada's history should leave no time in consulting the local Intercolonial ticket agent who has full particulars.

Not Sisters

Now and again you see two women passing down the street who look like sisters. You are astonished to learn that they are mother and daughter, and you realize that a woman at forty or forty-five ought to be at her finest and fairest. Why isn't it so?

The general health of women is so intimately associated with the local health of the essentially feminine organs that there can be no red cheeks and round form where there is female weakness.

Women who have suffered from this trouble have found prompt relief and cure in the use of Dr. Pierce's Favorite Prescription. It gives vigor and vitality to the organs of womanhood. It clears the complexion, brightens the eyes and reddens the cheeks.

No action, or habit-forming drugs is contained in "Favorite Prescription." Any sick woman may consult Dr. Pierce by letter, free. Every letter is answered promptly and confidential, and answered in a plain envelope. Address: Dr. J. C. Ayer & Co., Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.
