CIGARS! CIGARS!

**SPECIAL NOTICE TO DEALERS
AND SMOKERS.**

That we are the Largest Cigar Manufacturers in
the Dominion is not a factor in the success of our
business. We do not claim the extensiveness of our
establishment has anything to do with the quality of
our Cigars.

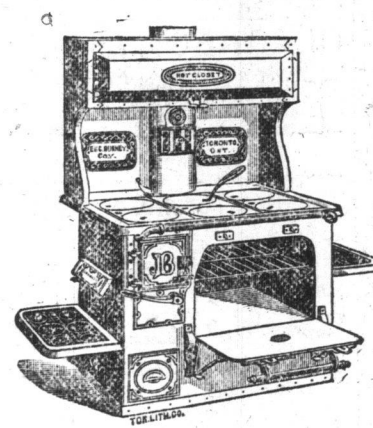

Our Luntin Cigars, which are retailed at 10c each,
have no superiors in the market at same price. And
our Quill Tip as a leading 5c line cannot be excelled.

RUPTURE

At the present time the market is being flooded with a variety of
worthless trusses, and persons suffering from rupture are often induced
to purchase a truss that has nothing to commend it but the false pro-
mise of impossible cures that are freshly made but never realized. Our
trusses are certainly superior to all
others, being the result of many
years practical experience in making
and fitting trusses, as well as years
of careful thought and attention to
the requirements of our patrons. We
guarantee our trusses to retain any
and all forms of rupture with ease
and comfort, and to place the patient
in the best possible condition for
nature to perform a radical cure.
