### Local Happenings

Fifteen extra troughs have been added to the Windsor Fish Hatchery, thereby increasing its capacity three quarters of a million. Last year 22,000 fry were liberated in the stream above the hatchery, and at the same point 2,000 healthy fingerlings were also given their freedom. The Mill Pond, Fall and Maple Brooks have been closed to fishermen, and a heavy penalty is invited through the breaking of this regulation. The only permit for fishing in these waters is granted to hatchery overseer or one of his assistants in connection with hatchery experiments, and such permit only comes through special permission from the department. It is out of the question, as well as unjust, for any individual other than above described, to seek a special permit for fishing privileges in these waters.—Hants Journal.

Everything is ready for the Mammoth Fair which opens to-morrow, Thursday, May 17th.

Says the Digby Courier:—The following statement was made from one of our local pulpits on Sunday: "A prominent citizen of this town recently declared that the reason Digby finds it so difficult to procure a N. S. Temperance Inspector is owing to the fact if a real honest Inspector attempted to do his duty conscientiously in this town he would at least be shot at—if not killed."

**JUST THINK OF IT!**—Three barrels of FLOUR to be given away as door prizes at the Mammoth Fair, one each night to the lucky ticket holder. Competition with every admission, and the admission is only 10 cents.

Band, Orchestra, Dancing, and all the other brilliant and fascinating attractions every night. Something doing all the time, not one dull moment.

Pack up your troubles and enjoy a real lively three days at the Mammoth Fair.—May 17th, 18th and 19th.

Mr. and Mrs. Z. Seamone received the sad news of the death of their little grandson, George Arlington Gill, aged 2 years, which took place at Somerville Hospital, Mass., May 5th, following an operation just 2 months from the day his mother died. He was buried at Glenwood cemetery beside his mother.

By his mother's side he's sleeping,  
Little loved one early biest;  
Free from care, and pain, and sorrow,  
Gone to his eternal rest.

Far beyond this world of changes,  
Far beyond this world of care,  
We shall find our missing loved one  
In our Father's Mansion fair.  
MRS. Z. SEAMONE.

Next Sunday, being Whitsunday, there will be a slight change in the usual order of services in the parish of St. James, Bridgetown. The 8 a.m. service (Holy Communion) usual at St. James on the third Sunday in the month will not take place, but instead there will be 8 a.m. service in St. Mary's, Belleisle. All other services will be at the usual hours with Holy Communion at the 11 o'clock service in St. James.

Crescent Lodge, I.O.O.F. will celebrate the 104th anniversary of the founding of Oddfellowship on Sunday next meeting at the Lodge room at 2:15 and marching to the Baptist Church where Rev. A. J. Prosser will address the Order. The public generally are cordially invited to attend.

Many pleasing things have been said about the "Afternoon Tea" held last Thursday in St. James' Church school room, under the auspices of the W.A. It was indeed a successful function from every point of view, and to those responsible for it a special need of praise is due. The bear made the rounds again a few nights ago helping himself to honey from Mr. Walter Ricketson's hives.
