

## Special Notices.

## NO. 1.

Owing to the determined opposition to our Bill of Incorporation, requiring the presence of the S. C. R. at Ottawa, it has now now been determined to postpone the visit of the S. C. R. to British Columbia till after May. Address all letters intended for the S. C. R. to Toronto.

## NO. 2.

Courts are hereby notified that all reports for April and the future made on the old Forms will not be accepted but returned to the Courts. A failure to send in the "required report" will more surely entail a suspension than the failure to remit the proper fees and dues.

## NO. 3.

Financial Secretaries will please observe the following points in connection with "Form No. 3, A" which is now the only recognized Official Form.

(a) Under the head 'No. 4. Sundry Payments' please write fully setting forth what the payments are for.

(b) When "Special Endowments" are sent in give always the names of brothers for whom the "Special Endowment" remittance is sent.

(c) Invariably to give, in the summary, the correct totals of last report. This is specially important. Financial Secretaries might write in after the words "Net totals as per last report," the following for March, April, etc., giving the name of the month for which the totals cover.

(d) Under the column "Remarks," in "No. 3, Suspended, expelled, or died since last report," put down the rates of assessments paid by the brother concerned, and add these amounts together, and carrying such total opposite to "Deductions on account of suspensions, etc.," in "The Summary." In other words fully explain what the deductions are for. If on account of a suspended member, give name in full and amount deducted on his account.

(e) Some Secretaries write in the names of all the members as in the old Form, and this under the heading of "Names in full of new members." This must not be done. They know at headquarters who were in good standing last month. Give only the variations or alterations occurring since last report.

Brothers Jamieson and Dickenson deserve well of the Order for their indefatigable labors in behalf of our Bill of Incorporation. No two men could have worked more faithfully or to better advantage than these two brothers.
