FOR SALE OR EXCHANGE.

THE thorough-bred Short-horn Durham
Bull, VISCOUNT OXFORD, N. S. Registry
No. 118, one of the best pedigreed Bulls in the
Province, calved August 21st, 1874, and imported
from England in 1875 by the Central Board. He
was a successful stock getter during the season
of 1876; but, having been purchased by the Am-
herst Society in 1877, he did not succeed there.
In the season of 1878, however, he served several
cows; and Mr. Black, the Secretary of the Society,
reports that the owners of most of them are under
the impression that they are in calf to him.
This bull will be offered at a low price, and
time given for payment. He may be seen at
Lucyfield Farm, near Beaver Bank Station.
Apply to the Herdsman, or to DR. GEORGE
LAWSON, Halifax.
