THE BANNER FOR 1875,

NEW SERIES, ENLARGED AND IMPROVED.

THE General Conference, at its recent Session, gave instructions to the Book Committee to take such measures as were necessary for the improvement of the BANNER. To accomplish this object and to make it an adequate and worthy representative of the important Sunday School interest of the entire Methodist Church, the Publisher has decided to enlarge and greatly improve it for the coming year. Each number will contain 32 pages, one-fourth more than before, making a volume of 384 pages octavo in a year. The enlargement will give greater space for editorial matter, and for articles original and selected on Sunday School topics. A new department will be created for correspondence and interchange of opinion, and suggestions for the more efficient carrying out of Sunday School work.

As heretofore, we shall avail ourselves of the distinguished services of Dr. Vincent (probably the most eminent and successful Sunday School worker in the world), and of his co-laborers. The notes on the Lessons will be still further improved, and will be of greater interest and more helpful to teachers than ever before. Especial attention will be given to the

improvement of the Lessons for the Primary Classes. The Berean Series will share the general improvement which will characterize the entire work. A piece of excellent music will also accompany each number.

Now, this enlargement involves the outlay of a considerable sum of money. It is therefore necessary to make a slight increase in the price. Single subscriptions to the BANNER are now, including postage, 66 cents, an inconvenient sum to send. It will henceforth be 9 cents more, or 75 cents for each subscription, including postage. We are sure that this change will be hailed with pleasure by every reader of the BANNER, as in its enlarged form it will really be much cheaper than before. Each paper may be addressed separately if desired. We want it to go into every Sunday School in the Methodist Church, from Vancouver's Island to the far Bermudas. Teachers, scholars, friends of Sunday Schools, will you try to extend its circulation? Press the canvass vigorously. Specimen numbers sent free on application.

N.B.—To the Sunday School or individual ordering the largest number of copies will be sent, post free, a handsomely bound copy of Withrow's "CATACOMBS OF ROME," published in the United States at \$3.00, pronounced the best book in existence on the subject, and admirably adapted for Sunday School Libraries, or for a reward book. Who will get it?

A few select advertisements will be inserted on the cover at reasonable rates.

The volume begins with January, when all subscriptions should commence.

Subscriptions may be sent to the Rev. A. W. NICOLSON, Methodist Book Room, Halifax, N.S., or to
