THE Prophetic Attestation

**A Proof that Christianity is
 Attested by Prophecy.**

BY

JOSEPH S. COOK, B.D., PH.D.

Specially adapted for Young Bible Readers
 desirous of Studying Christian
 Evidence.

PRICE - - 10 CENTS.

Rev. Dr. Withrow writes, in *Onward*: "Dr. Cook has here produced a fine summary of prophetic evidence in favor of Christianity. He believes in the old land-marks and is not carried away by any new doctrine. It is but seldom that so much valuable matter is presented in such a small compass. . . . Those who will carefully read this pamphlet cannot fail to see that our Christianity is no cunningly devised fable, but a revelation given to the world by God and worthy of being embraced by every son and daughter of man."
