

FROSST'S BLAUD CAPSULES

These Capsules present true Ferrous Carbonate in a soft mass with a freely soluble covering of soft elastic gelatine.

They neither oxidize nor harden and are made in different formulae, which enables the physician to vary his treatment.

A critical consideration of our claims will demonstrate the superiority of our capsules over the usual pill or tablet.

Marketed in ethical packages containing 100 each, they may be prescribed by number to designate formulae desired.
