THE HIGH SCHOOL Drawing : Course

Authorized by the Minister
of Education.

The course is now complete :

- No. 1—FREEHAND,
- No. 2—PRACTICAL GEOMETRY.
- No. 3—LINEAR PERSPECTIVE,
- No. 4—OBJECT DRAWING,
- No. 5—INDUSTRIAL DESIGN.

These books are all uniform in size and style, and constitute a complete uniform series. The same plan is followed through them all—the Text, the Problems, and opposite the Problems, in each case, the Exercises based upon them. The illustration is upon the same page with its own matter, and with the exercise, in every case, is a space for the student's work. Each copy, therefore, is a complete Text-book on its subject, and a Drawing Book as well, the paper on which the books are printed being first-class drawing paper. The student using these books, therefore, is not obliged to purchase and take care of a drawing book also. Moreover, Nos. 1, 4 and 5 are the only books on their subjects authorized by the Department. Therefore, if the student buys the full series, he will have a uniform, and not a mixed series, covering the whole subjects of the examinations, and edited by Mr. Arthur J. Reading, one of the best authorities in these subjects in this country, and recently Master in the School of Art.

Each book is in the direct line of the curriculum, and is authorized.

The examinations in High School Drawing will be set from the authorized books.

PRICE, ONLY 15c. PER BOOK.

"PERFECTION."

BUTTONLESS.

The above cut shows the design of the Perfection Buttonless Football as it is registered in Great Britain, and represents to the fullest degree perfection in shape, perfection in workmanship, perfection in the material used in its manufacture, and perfection in finish.

This, combined with the closeness of our price, has led certain dealers to have the design slightly changed in hopes that they would thereby be able to get a little more for their money. Beware of such. We sell the best buttonless balls made, and give the number, circumference and price of each.
