

PARAGRAPHIC.

OUR BRAVE VOLUNTEERS

Endured the severe marching of the Northwest campaign with admirable fortitude. The Government should have supplied them with a quantity of the celebrated Putnam's Painless Corn Extractor. It never fails to remove corns painlessly, and the volunteers and everybody else should have it. Beware of substitutes. Get Putnam's Extractor and take no other.

Powdered rice, sprinkled upon lint and applied to fresh wounds, will stop bleeding.

EVERYBODY SUFFERS PAIN.—It is the result of sin and violation of nature's laws. The great Creator of the universe in his infinite mercy has done much to allay the suffering of his people by giving them out of nature's store-house a "balm for every wound." Such is the Pain-Killer made by Perry Davis & Son; it stops pain almost instantly, is used both internally and externally, and is of all other pain remedies the *oldest and best*.

In paring fruit for canning, use a silver-knife, so that the fruit may not turn dark-colored.

Horseford's Acid Phosphates.
FOR OVERWORKED PROFESSIONAL MEN.

Dr. Chas. T. Mitchell, Canadagua, N. Y., says: "I think it a grand restorer of brain force or nervous energy."

Hot, dry flannel applied to the face and neck is a very effective remedy for a "jumping tooth-ache."

CRUMBS OF COMFORT.—Ear ache, tooth ache, head ache, neuralgia, and deafness can be instantly relieved and finally cured by *Johnson's Anodyne Liniment*. Get a bottle and read directions.

Buy bar soap by the quantity. Keep it where it will dry, and it will go much farther in using.

SCOTT'S EMULSION of Pure Cod Liver Oil, with Hypophosphites, in *Scrofulous and Consumptive Cases*.—Dr. C. C. Lockwood, New York, says: "I have frequently prescribed Scott's Emulsion and regard it as a valuable preparation in scrofulous and consumptive cases, palatable and efficacious."

A man's charity to those who differ from him upon great and difficult questions will be in the ratio of his own knowledge of them—the more knowledge, the more charity.

Consumption Cured.

An old physician having had placed in his hands by a returned Medical Missionary, the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Catarrh, Asthma, Bronchitis, etc., after having tested its wonderful curative powers in hundreds of cases, desires to make it known to such as may need it. The Recipe will be sent FREE with full directions for preparing and using. Send 2 cent stamp. Address Dr. W. H. Armstrong, 44 North 4th st., Philadelphia, Pa. (Name this paper.)

The editor of an agricultural paper says there is absolutely no cure for hog cholera, but that *Sheridan's Condition Powders* given occasionally will certainly prevent it. Be sure to get Sheridan's. The other kinds in large packs are trash.

A pretty shade to fall over the lamp is made by gathering a strip of red-satin, and when full enough to hang gracefully, sew it together in a "fine seam" and trim the edges with lace.

SMITH MEDICINE CO.—Gentlemen,—I have made a trial of one box of Dr. SMITH'S GREAT GERMAN WORM REMEDY, with such good effect that I have no hesitation in recommending it to the public as a prompt and reliable medicine. In fact, those who use it once will always do so. Yours truly,
J. HARVIE, 172 Cadieux st.
Montreal, Dec. 9th, 1881.

If we did but know how little some enjoy the great things they possess, there would not be much envy in the world.

CONSUMPTION.—For the cure of this distressing disease there has been no medicine yet discovered that can show more evidence of real merit than *Allen's Lung Balsam*. This unequalled expectorant for curing Consumption and all diseases leading to it, such as Affections of the throat, Lungs, and all diseases of the pulmonary organs, is introduced to the suffering public after its merits for the cure of such diseases have been fully tested by the Medical Faculty. The Balsam is, consequently, recommended by physicians who have become acquainted with its great success.
