A SINCOE CO. MIRACLE.

THE STARTLING EXPERIENCE OF MRS. ROBINSON, OF MIDHURST.

Eleven Years Stickness—Her Case Pronounced Positively Incurable—She Was Given Up to Die by Two Doctors—Now a Picture of Good Health and Strength. From the Barrie Examiner.

Near the village of Midhurst, about six miles from Barrie, stands the smithy of Mr. John Robinson, while within sound of the anvil is his home, where in the midst of a large and leafy orchard dwell the smith and his family. Mr. Robinson is a type of the proverbial blacksmith with "the muscles of his brawny arms as strong as iron bands," but with Mrs. Robinson it has been different. The wife and mother has for a long time been a victim to acute and painful dropsy of the kidneys. Shortly after the birth of her youngest child (now about 13 years) Mrs. Robinson began to take fainting spells, accompanied by violent headaches. This continued through the years that have elapsed, during which time she has obtained the best medical advice available. For about a year she was in constant terror of going insane. Her dull heavy headache, beating pain in the back and weak swollen legs and body made her case something fearful. To a representative of the *Examiner* Mrs. Robinson said: "It is some five or six years since I took worse, and since then we have spent hundreds of dollars in medicine and for medical advice. The symptoms of my case were heavy headaches, pain in the back and kidneys, and swollen legs. I rapidly grew worse, and last July was given up by two doctors to die, and all my friends and neighbors tell me that they never expected to see me out again. I could not raise myself up, could not dress myself, and had to be assisted in everything. Now I am well and strong, and can put out a big washing without any over exertion. I have also suffered from diarrhoea for a number of years, and when I spoke of it to my doctor he said if it were stopped worse results would follow. At the urgent request of my son, who was then living in Manitoba, and personally knew of wonderful cures wrought by Dr. Williams' Pink Pills, I decided to give this remedy a trial. Since using the Pink Pills I have been completely cured and have felt none but beneficial effects. Only the week before I commenced taking the Pink Pills I was told by a physician that he could not cure me, and that I would likely get worse when spring came. He analyzed my blood and said it was in a fearful state, and that my disease was dropsy of the kidneys, which positively could not be cured. This was about the middle of last January. After the third box

of pills my backache left me and it has not since returned. I have taken thirteen or fourteen boxes in all and owe my recovery to this wonderful medicine. I can't praise Pink Pills too much, whatever I say of them," said Mrs. Robinson. "I recommend them to everybody. I can't speak too highly of them. They saved my life, and I feel it my duty to let others, who are suffering as I was, know all about them."

Dr. Williams' Pink Pills strike at the root of the disease, driving it from the system and restoring the patient to health and strength. In cases of paralysis, locomotor ataxia, sciatica, rheumatism, kidney and liver troubles, erysipelas, scrofulous troubles, etc., these pills are superior to all other treatment. They are also a specific for the troubles which make the lives of so many women a burden, and speedily restore the rich glow of health to sallow cheeks. Men broken down by overwork, worry or excesses, will find in Pink Pills a certain cure. Sold by all dealers, or sent by mail postpaid at 50 cents a box, or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N.Y. Beware of imitations and substitutes alleged to be "just as good."

The spoken word, next to the written word is, of all things on earth, most vital. Once spoken, the word cannot be recalled. If it be a rash word, an angry word, a word of untruth or of malice, an impure or profane word, it has gone, as an arrow from the bow, on its mission of evil, and all bad angels wait to speed it on. Let us pause before we speak, and let our words be words of loving kindness.
