

THE CLAIMS TO THE CROWN OF DENMARK.—The *Allgemeine Zeitung* contains a list of the different lines and families who can prefer claims more or less remote to the Danish throne. No less than fourteen royal houses may be, though they are not all, actually claimants to the succession, deriving their title by descent from the three daughters of Frederic III. of Denmark. First in order comes the Oldenburg family in all its branches; 2, the Imperial House of Austria; 3, the House of Saxony; 4, all the Saxon dukedoms; 5, the family of the Elector of Hesse; 6, the House of Mecklenburgh-Schwerin; 7, the Imperial family of Brazil; 8, the reigning House of Portugal; 9, the Neapolitan Royal family; 10, the House of Sardinia; 11, the Spanish Bourbons; 12, the Ducal line of Lucca; 13, the family of King Leopold, of Belgium; 14, the younger branch of the Bourbon family. Even this long list appears imperfect, for the claims of the Duke of Augustenberg, which had so much to do with the revolt of the Duchies, are not specially noticed; nor are those of the Romanoffs, though the connection between the Duchy of Holstein and the Imperial family of Russia is more direct than that of a greater number of those enumerated. All those families are "agnates" of the Danish line, and should it be proposed at the Diet to set aside the law of succession passed by the present King of Denmark, it is assumed that all the members of those several families must be assenting parties to the order of succession proposed.

To the Editor of the True Witness and Catholic Chronicle.

DEAR SIR,—I observe by the *Montreal Herald*, of this day, that the *Wesleyan Body* have just terminated their Annual General Council, and the public is informed that this great event passed off, without a general battle. This certainly, is consolating news to Protestants; but to me, as well as to all Catholics, it shows how Protestantism is ridiculous, when the columns of a respectable newspaper are used to inform the public that a meeting of Protestant Ministers had taken place, and that the same passed off without a fight. The Catholic derives the consolation of being certain, that he belongs to a body, where not only harmony, but that the Holy Spirit has, and will always, prevail at all meetings of Ministers of the only one Catholic Church.

Yours truly,

A SUBSCRIBER.

Montreal, June 3rd, 1851.

To the Editor of the True Witness and Catholic Chronicle.

MR. EDITOR,—Please to allow me briefly to state what I witnessed on my journey to the South, among my Catholic brethren.

I had a pleasant interview with the Catholic Bishops of Boston and Philadelphia. I had permission to visit a number of good schools, which appeared to be well conducted; and I heard the pupils sing very delightfully. I had the pleasure of visiting an orphan school in the city of New York, in which are 320 orphans. I also visited two very large orphan schools in Philadelphia, and two good schools in the city of Washington. A very fine four story building has lately been erected in Washington, for the orphans of the Catholic Church. Father Mathew, who is at the head of that institution, introduced me to the school, and stood by me while I addressed them upon the importance of temperance, and the right improvement of time. This venerable Father is eighty years old, and appears in good health, and is yet able to do his duty. I have had several pleasant interviews with him, and with his respectable namesake from Ireland, whom we are expecting to visit Canada before he returns to Ireland.

Should I ever have the privilege of speaking to the young gentlemen of the Catholic College in Montreal, I would entreat of them to make less noise on the Sabbath.

That we all may keep the Sabbath holy, and imitate the Saviour, in doing good, is the prayer of T. OSGOOD.

The MACHINERY on the Premises, worked by a Four Horse Power Steam Engine, for Roasting and Grinding Coffee, is on the most approved plan, the Coffee being closely confined in polished metal spheres, which are constantly revolving and oscillating in heated air chambers, is prevented imbibing taint from Smoke, danger of partial carbonization of the Bean and loss of Aroma, so important to Connoisseurs which is further ensured by attention to Grinding at the shortest time prior to Sale. To this elaborate process SAMUEL COCHRAN owes the high reputation his Coffee has obtained through a large portion of the Provinces. CRYSTALLIZED SUGAR (much admired for Coffee); REFINED SUGAR in small loaves, and WEST INDIA SUGARS, of the best quality, always on hand. A few of the choicest selections of TEAS may be had at the CANTON HOUSE, Native Catty Packages, unrivalled in flavor and perfume, at moderate terms. Still the Forest is the Best Medical School!!

That predisposition which exposes the human frame to the infection and virulence of all diseases, proceeds directly or indirectly from a disordered state of the System, caused by Impure Blood, Bilious and Morbid condition of the Stomach and Bowels.

DR. HALSEY'S

GUM-COATED

FOREST PILLS.

(A Sarsaparilla preparation of unexampled efficacy.)

These Pills are prepared from the best Sarsaparilla, combined with other Vegetable properties of the highest Medicinal virtue. They are warranted not to contain any Mercury or Mineral whatever. They purge without griping, nauseating, or weakening; can be taken at any time, without hindrance from business, change of diet, or danger of taking cold. They neither have the taste nor the smell of medicine, and are five times more effectual in the cure of diseases than any Pills in use.

But a short time has elapsed, since these great and good Pills were first made known to the public, yet thousands have already experienced their good effects. Invalids, given over by their Physicians, as incurable, have found relief, and been restored to sound and vigorous health from their use.

TO FATHERS OF FAMILIES.

Bile and foul state of the stomach occasions more sickness and deaths in families, than all other causes of disease put together. Sometimes whole families are taken down by malignant fevers, Fever and Ague, and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No parent can be so ignorant as not to know the great danger existing from biliousness—no parent would be guilty of causing the

DEATH OF HIS OWN CHILDREN!!

Yet thousands of children and adults die every year through neglect of parents to attend to the early symptoms of bile and foul stomach.

Superfluity of bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow tint of the skin, languidness, costiveness, or other symptoms of a similar nature. Almost every person gets bilious, the neglect of which is sure to bring on some dangerous disorder, frequently terminating in death. A single 25 cent box of Dr. Halsey's Gum-coated Forest Pills, is sufficient to keep a whole family from bilious attacks and sickness, from six months to a year. A single dose, from 1 to 3 of these mild and excellent Pills, for a child; from 2 to 4, for an adult; and from 5 to 6, for a grown person, carry off all bilious and morbid matter, and restore the stomach and bowels, curing and preventing all manner of bilious attacks, and many other disorders.

SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. These, as well as all common purgatives, pass off without touching the bile, leaving the bowels costive, and the stomach in as bad condition as before. Dr. Halsey's Forest Pills act on the gall-ducts, and carry all morbid, bilious matter, from the stomach and bowels, leaving the system strong and buoyant,—mind, clear; producing permanent good health.

NOTICE TO THE PUBLIC.

In 1845, Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar-coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the avarice of designing men, who commenced the manufacture of common Pills, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good will Dr. Halsey's Pills had gained, by curing thousands of disease.

The public are now most respectfully notified, that Dr. Halsey's genuine Pills will henceforth be coated with

GUM ARABIC.

An article which, in every respect, surpasses Sugar, both on account of its healing virtues, and its durability. The discovery of this improvement, is the result of a succession of experiments, during three years. For the invention of which, Dr. Halsey has been awarded the only patent ever granted on Pills by the Government of the United States of America.

The Gum-coated Forest Pills present a beautiful transparent, glossy appearance. The well-known wholesome qualities of pure Gum Arabic, with which they are coated, renders them still better than Dr. Halsey's celebrated Sugar-coated Pills. The Gum-coated Pills are never liable to injury from dampness, but remain the same, retaining all their virtues to an indefinite period of time, and are perfectly free from the disagreeable and nauseating taste of Medicine. In order to avoid all impositions, and to obtain Dr. Halsey's true and genuine Pills, see that the label of each box bears the signature of G. W. HALSEY.

Reader!!! If you wish to be sure of a medicine which does not contain that lurking poison, Calomel or Mercury, purchase HALSEY'S GUM-COATED FOREST PILLS, and avoid all others.

If you desire a mild and gentle purgative, which neither nauseates nor gives rise to griping, seek for HALSEY'S PILLS.

If you would have the most concentrated, as well as the best compound Sarsaparilla Extract in the world, for purifying the blood, obtain Dr. HALSEY'S PILLS.

If you do not wish to fall a victim to dangerous illness, and be subjected to a Physician's bill of 20 or 50 dollars, take a dose of Dr. HALSEY'S PILLS as soon as unfavorable symptoms are experienced.

If you would have a Medicine which does not leave the bowels costive, but gives strength instead of weakness, procure HALSEY'S PILLS; and avoid Salts and Castor Oil, and all common purgatives.

Parents, if you wish your families to continue in good health, keep a box of HALSEY'S PILLS in your house.

Ladies, Dr. HALSEY'S PILLS are mild and perfectly harmless, and well adapted to the peculiar delicacy of your constitutions. Procure them.

Travellers and Mariners, before undertaking long voyages, provide yourselves with Dr. HALSEY'S PILLS, as a safeguard against sickness.
