

ture, the school could be added to the other operations of the Board, and the whole carried on with efficiency and success.

The Committee would also submit, in addition to the foregoing, that a sum of at least \$1,000 per annum increase on the present grant to the Board is necessary, so as to enable it to keep its Free Library of Reference supplied with new technical works, as published; and to secure desirable improvements in the publication of the *Journal* of the Board, by illustrations of new mechanical inventions, &c., &c.

The following is a summary of what has been so far submitted:—

Annual grant required for	
<b>First Proposed Scheme.</b>	
Annual grant to the Board .....	\$ 3,000 00
If "School of Art" is also established, add.	2,000 00
Total .....	\$ 5,000 00
Annual grant to Mechanics' Institutes, say forty, at \$200 each, average .....	8,000 00
Per annum .....	\$13,000 00
Or if the "School of Art" should not be at once established, the annual amount required would be .....	\$11,000 00

Annual grant required for	
<b>Second Proposed Scheme.</b>	
Annual grant to the Board .....	\$ 3,000 00
Annual grant to Mechanics' Institutes—average for first four years .....	1,000 00
Total .....	\$ 4,000 00
Additional grant to Institutes when full equivalent should be locally subscribed.	4,000 00
Additional grant if "School of Art" is established .....	2,000 00

Total annual grant for Board of Arts, Art School, and Mechanics' Institutes, after the first four years .....

The Committee would represent, that, in view of the liberal *public* provision made for higher education, specially adapted to the professions; and the liberal support accorded the agricultural interests of the Province—the proposed Legislative aid now suggested to the Hon. the Commissioner of Agriculture bears but a small proportion to what the important interests of Arts and Manufactures might justly claim, at the hands of the Government.

- All which is respectfully submitted:
- JOHN BEATTY, M.D., *President.*
  - GEO. BUCKLAND, *Prof. Agr.*
  - W. H. SHEPPARD.
  - H. LANGLEY.
  - H. E. CLARKE.
  - J. J. WITHROW.

Moved by Mr. McDonnell, seconded by Geo. H. Dartnell; and

*Resolved*—That the Report of the Sub-Committee just read be adopted.

Moved by Mr. McIlwraith, seconded by Mr. Shier and

*Resolved*—That the members of the Board of Arts and Manufactures, in Annual Meeting Assembled, having considered clauses 24 and 25 of the Agricultural Bill now before the Ontario Legislature, beg to express their approval of the same, so far as the proposed assistance extends; but would represent to the Hon. the Commissioner of Agriculture, that if the Objects for encouragement by the Legislature were extended to the purchase of books of a mechanical or practical character, as well as to class instruction, the aid proposed to the laudable objects contemplated would be much more beneficial, and only just towards the interests represented by the Institutes.

Moved by Mr. Sheppard, seconded by Mr. Withrow, and

*Resolved*—That the Vice-President, T. McIlwraith Esq., and the mover, be a Committee to wait upon the Hon. Commissioner of Agriculture, to submit the forgoing Resolution, and urge its adoption; and also to propose that the Industrial Arts other than Agriculture should be recognised in the title of the Provincial Association; by amending the title so as to read "Agricultural and Arts Association."

Moved by Mr. Dartnell, succeeded by Mr. Withrow, and

*Resolved*—That the Secretary be authorised to hand over to Government the property of the Board, first making provision out of the balance in hand and Office Furniture for the rent due to the Toronto Mechanics' Institute, up to June 30th., 1868.

Moved by Mr. Withrow, seconded by Mr. Sheppard, and

*Resolved*—That W. J. McDonnell, and John Moss, Esqrs., be requested to audit the Treasurer's accounts, before making returns to the Government.

On motion of Mr. Withrow, seconded by Mr. Sheppard, the meeting then adjourned.

W. EDWARDS  
*Secretary.*
