# SIGNS OF SPRING

*Applause! Encore! This issue of Canadian Oil News is Canadian Oil News Number. By popular request we are repeating one page of the best material that appeared in nine previous issues of Canadian Oil News, namely: Pep, Music, Slang, Old John Barleycorn, Animal, Signs, Time, School and Stop-Go numbers of Canadian Oil News.—The Editor.*

—Scientific Refining—  
**Even in Spring**

Some use a stream to fish in, others make it turn the wheels of mills.

—Scientific Refining—  
**Saved by a Hair**

John Stayout came home early—in the morning. His wife discovered a hair on his coat collar—it was her own.

**EDITOR'S NOTE**—Short Story Number of Canadian Oil News coming out soon. Write for a copy.

—Scientific Refining—

## Look For This Sign

The Boy and Slate appears in front of all En-ar-co service stations and in front of many stores, garages and other places of business where En-ar-co brands are sold.
