

10. reports, records, maps, statistics and other information related to the projects and likely to be helpful to the Canadian personnel;
 11. other measures within its jurisdiction and required to eliminate obstacles to project execution;
 12. exemption from any levy payable to the State (including among other things permits, stamps and registration of documents, licences, and so on) for any item required by the Canadian firms or the Canadian personnel in connection with a project in Burkina, with the exception of taxes for services rendered.
- II Burkina acknowledges that each member of the Canadian personnel assigned to Burkina shall be entitled to a period of annual leave.
- III Burkina undertakes to provide all necessary assistance to Burkinabè scholarship holders upon their return, so that the said scholarship holders may find employment in the field related to their studies.
