

ARTICLE XIII

1. Where a co-production is exported to a country that has quota regulations, it shall be included either in the quota of the Party:

- a) of the majority co-producer;
- b) that has the best opportunity of arranging for its export, if the respective contributions of the co-producers are equal; or
- c) of which the director is a national, if any difficulties arise with the application of sub-paragraphs (a) and (b) hereof.

2. Notwithstanding Paragraph 1, in the event that one of the co-producing countries enjoys unrestricted entry of its films into a country that has quota regulations, a co-production undertaken under this Agreement shall be as entitled as any other national production of that country to unrestricted entry into the importing country if that country so agrees.

ARTICLE XIV

1. A co-production shall, when shown, be identified as a "Canada-Senegal Co-production" or "Senegal-Canada Co-production" according to the origin of the majority co-producer or in accordance with an agreement between co-producers.

2. Such identification shall appear in the credits, in all commercial advertising and promotional material and whenever this co-production is shown and shall be given equal treatment by each Party.

ARTICLE XV

1. In the event of presentation at international film festivals, and unless the co-producers agree otherwise, a co-production shall be entered by the country of the majority co-producer or, in the event of equal financial participation of the co-producers, by the country of which the director is a national.

2. Prizes, grants, incentives and other economic benefits awarded to the cinematographic or audio-visual works may be shared between the co-producers, in accordance with what has been established in the co-production contract and in conformity with applicable legislation in force in the two countries.

3. All prizes which are not in cash form, such as honourable distinctions or trophies awarded by a third country, for cinematographic and audio-visual works produced according to the norms established by this agreement, shall be kept in trust by the majority co-producer or according to terms established in the co-production contract.

ARTICLE XVI

The competent authorities of both countries have jointly established the rules of procedure for co-productions taking into account the legislation and regulations in force in Canada and Senegal. These rules of procedure are attached to the present Agreement.
