

PACIFIC CLUB
VICTORIA, B. C.

June 13. 1923.

My dear Sir Arthur,

I have just received your letter dated May 25th. My absence in Saanich, where I was enjoying some fishing, prevented my calling at the Club and receiving it sooner.

I think the school at Brentwood will be a great success. Its surroundings as you know are very beautiful, the boys will have the great advantage of facilities for boating as well as other sports, and Mr. Hopis appointment as Principal is a ample guarantee that their mental and moral training will be excellent.
