HAVANA, April 2.-Jack Johnson and less Willard today worked out for their ant, tho both eased up as a matter of course. The roadwork in the carry morning was light, owing to the wet and slippery roads. Their exercise at the afternoon exhibitions was of a harder nature, particularly in the case of

The challenger went thru his stunt in sawdust covered ring before a large iday crowd, each one of whom paid forty cents admission. Willard boxed three rounds each with Hemphill, Savage shown thus far. He tried using the crouch this afternoon. He was fast with his left, occasionally using his right, and actually slugged Savage and Monahan at

Johnson worked this afternoon before a moving picture machine, deserting the regular ring for a restricted space on the floor. He boxed eight rounds with Mills, Scott and Bell. His final round, which was with Bell, lasted eight minutes, and the champion joked with the spectators as he finished, showing no sign of exhaustion. Johnson's masteriy boxing skill is edil's marvel to the Havana people.

Williard's Chance.

Vormer pugilists among the late arrivals claim that Willard, while physically perfect, has absolutely no chance before the champion. They declare that the challenger can win only by taking millimited punishment, outgaming and outlasting the negro.

There is much uneasiness among members of the light, syndicate over Johnson's insistence that he will box sam McVey say keep the phampion's minal time on his fine condition. Some of the camp followers say they are not sure whether Johnson is in such shape as he claims. They say that while the champion is in splendid appearance, they cannot tell his actual physical tondition, since they have seen no test fight. They assert that they are sure he is slower on the offence and defence than he was when he fought Jim Jeffries. The hattle, they believe, will go 20 rounds at least, and they express the opinion that Willard will enter the ring an even money favorite.

JOHNSON-WILLARD IN ARENA.

The Johnson-Willard fight returns will be given at the Arena Monday at noon. By special arrangement a direct wire from the ringside will be installed in the Arena, giving the actual account in detail as the championship battle is being fought in Havana. One of the eleverest operators will have chaige of the machine, so that a full and accurate description will be given. Judging from the interest being taken in the contest the big Arena should be well filled. Popular prices will prevail. The doors will be open at 12 o'clock.
