AT ONCE . . .

Your paper should be sent to us regularly. We have constant calls for your local news; your editorial opinions, etc.

When we cut these clippings from your paper we always attach to the clipping the name, address, and date of your paper. These clippings go to capitalists, advertisers, and persons looking for new mediums to place their advertising.

Again, we are constantly asked in regard to the advertising value of different publications, and to speak intelligently along this line we need your paper in our files. We check and keep accurate record of the hundreds of papers received by us, and if yours is not already on our list you should take advantage of our proposition.

This is a cheap and satisfactory way for you to bring your paper before the best class of possible clients.
