The Dominion exhibition commissioner has about completed the collection of the exhibits for the Japan exhibition to be held in Osaka next year. The rails on the extension of the Manitoba & Northwestern have been laid to a point eighteen miles west of Yorkton. The grade is completed fifty miles west.

A dispatch from Michel, B. C., announces the strike of the coal miners of the Crow's Nest Coal Company, at that point, has been settled and that the miners have resumed work.

The Harvey-Van Norman Co., Ltd., wholesale boots and shoes, Toronto, are going out of business and have withdrawn their travellers from the road. J. Donaldson travelled the west for this firm.

The trade report shows that for the first year the amount of settlers' effects imported to Canada was \$4,680,811. Of this amount \$3,751,363 was from the United States, \$802,313 from Britain and the balance from other countries.

The Manitoba bill probably be the first of the Canadian Pacific Railway to be laid to rest this season. It is expected that the Alberta will leave Owen Sound on her last trip Tuesday, Nov. 25; the Athabasca, Thursday, Nov. 26; and the Manitoba on Saturday, Nov. 29th, for Fort William.
