The City of St. John is one of the finest maritime cities in the Dominion. Its port is never frozen. Cool in summer and warm in winter, it has special attractions for visitors. Here are located the Exhibition Buildings, sufficiently roomy to provide accommodation for the Manufacturer, Agriculturist and others. No better or cheaper opportunity is offered anywhere for exhibiting goods, or produce to the very large number of visitors who are sure to be in attendance.

THE EXHIBITION WILL BE OPEN SEPTEMBER 24TH TO OCTOBER 4TH, 1895.

Correspondence is invited from all persons who have attractive novelties to offer. Exhibitors invited from everywhere. For application forms and other information apply to
