USE SUBSTITUTES  
FOR WHEAT FLOUR

Proportion in Bakery Productions  
After July 15 Must Be One  
to Four.

## FOOD BOARD ORDER

Between July 1 and July 15  
Proportion Will Be One  
to Nine.

Ottawa, June 25.—Compulsory use  
by bakers, confectioners, public eat-  
ing places and private households, of  
substitutes for wheat flour are pre-  
scribed in an order issued today by  
the Canada Food Board.

In making this measure public, Mr.  
Thomson emphasized the absolute ne-  
cessity of conserving our small stocks  
of wheat in order that we may share  
them with our allies, especially dur-  
ing the next four months, when their  
food situation will be extremely diffi-  
cult.

The order defines as substitutes for  
wheat flour, "pure and wholesome corn,  
oats, barley, rice, rye, buckwheat,  
potatoes, or potato flour, bran, shorts,  
meal, rolled oats, corn meal, corn  
sorghum, hominy, corn grits, rye meal,  
rice, tapioca, or any mixture of same,  
and potatoes."

Four pounds of potatoes will be  
considered equivalent to one pound of  
the other substitutes.

The order provides that on and  
after July 1, bakers, confectioners and  
public eating places in making any  
bakery product in which the use of  
substitutes in certain definite pro-  
portions is not prescribed by previous  
orders of the food board, must use  
one pound of substitutes to every  
nine pounds of standard wheat flour.

Similarly, persons baking for priv-  
ate consumption, any product in which  
one pound of standard flour is used, must  
use not less than one pound of sub-  
stitutes to every nine pounds of white  
or standard wheat flour.

On and after July 15, this propor-  
tion, so far as places east of Port Ar-  
thur are concerned, must be in-  
creased to one pound of substitutes to  
every four pounds of white or stan-  
dard wheat flour. Quantities of sub-  
stitutes available west of Port Ar-  
thur are not prescribed by previous  
orders of a date being named for an increase  
equal to that required for eastern  
Canada, but such increase will be  
made just as soon as the available  
supply of substitutes in western  
Canada warrants.

Restrictions on Sale.  
On and after July 15th, no licensed  
dealer may legally have in his pos-  
session for sale any wheat or standard  
flour, unless he also has a sufficient  
stock of substitutes to meet the de-  
mands of his customers at reasonable  
prices.

Persons at points east of, but not in-  
cluding, Port Arthur must purchase  
substitutes in the proportion of not  
less than one pound of substitutes to  
every nine pounds of standard flour.  
Dealers are forbidden, on and after  
July 15th, to sell flour unless, sub-  
stitutes in the proportion stated, or to a  
greater proportion, are purchased.

On and after July 15 every baker  
must place on each loaf of bread a  
label or sticker bearing his name and  
address, and the words "victory  
bread."

The latter expression will be a  
guarantee that the prescribed amount  
of substitutes for standard wheat flour  
required by the Canada Food Board  
have been used in making the loaf.  
Bread which does not bear such label  
or sticker may be seized and forfeited  
to His Majesty.

The order makes it an offence  
for any person to sell or have in his pos-  
session any bread, rolls, pastry or any  
other product in which white or stan-  
dard flour is used, which does not  
conform to the requirements of the  
food board. The penalty for viola-  
tion of the new regulations is a fine  
of not less than \$100 and up to \$1000,  
or imprisonment for a period of three  
months, or both fine and imprison-  
ment.
