SINGLE RINKS START ON ICE ALMOST KEEN

Lakeview Won Seven Games With Only One Defeat—Draw for Tonight.

The single rink curling competition was started last night on ice that was almost keen. The results furnished hardly a surprise, and the scores were not genrally close. It was Lakeview's big night with seven wins to only one loss. Toronto and Granites won five each, and Queen City four. Queen City suffered most with six defeats, while five Toronto and as many High Park rinks went into the discard. High Park and Aberdeen failed to break into the winning list. Scores:

SEATS GOBBLED UP FOR SATURDAY GAME

Record Crowd Promised—Two Referees Will Handle the Contest.

Toronto is hockey mad. The 2200 odd hockey tickets that were put on sale yesterday morning for Saturday's game between Dentals and Hamilton, were all sold in two hours, and many hundreds of fans were unable to get a pair of coveted pasteboards and are now waiting for a chance to buy standing room admissions on Saturday. This is the only thing left for them.

The first candidate for tickets yesterday reached the Arena doors at four o'clock in the morning and then they drifted along in two's and three's until six o'clock and then they came with a rush after that time.

The wickets were opened at 9.20 a.m. and at 11.15 the "all sold" sign was hung up. When the sale opened the line-up was three deep. It extended up Mutual street to Dundas in one line, and down Mutual and along Shuter street to Dalhousie in another.

The 800 80c tickets gave out first and the $1.10, box and rail seats soon filtered away. No seat of any kind could be secured at noon. On Saturday night 1500 bleacher seats will be sold at 7 o'clock, and the 80c standing room admission will be put on sale at 8.15 p.m.

The Dental club got about 500 seats for their students and followers and the Hamilton club 300. In addition to this the subscribers take about eight hundred more and this, with the tickets sold yesterday morning, eats up all the reserved seats available.

No more than two tickets were sold to each purchaser yesterday, and fans can have no complaint to offer. It is the first time on record that 2200 tickets were sold thru the wickets for any game that a capacity house would see.

Should Be Record.

Saturday's crowd should hang up a new record for the local ice palace. In 1914 the T. R. and A. A. and St. Michaels drew a house of 7333 but this should be passed tomorrow. Every seat is sold now and the fans poured up to the wickets until a late hour last night looking for a ticket.

It is the first time that a group game has created so much interest. The reason is that the teams are very evenly matched. Hamilton and Dentals have met three times and two goals is the biggest margin to date. In the first game here, Hamilton beat Dentals 7 to 5. In the return game at Hamilton the Toronto team turned in a 4 to 3 victory, and the Tigers beat Dents by the same score in Hamilton last week. A win for Hamilton on Saturday will give them the group honors. Dentals must win to tie the group and make a play-off necessary.

The Teams.

The double referee system will be in vogue Saturday night with Bobby Hewitson and Steve Vair officiating. Hamilton will play the same team that beat the Dents in Hamilton. Beaume in goal, Matte and Reise on the defense, Roach at centre, McRathy at right, and Green at left, is the line-up, with Duncan and Copper as subs.

The Dents have not yet decided on their team. They had a lively workout yesterday and will rest today and Saturday. Bill Box played back in the defense yesterday. Box may start back with Brown. Charlie Stewart's eye is coming around all right and he will be in the nets. If Box works on the defense, Hudson will start at centre, and Smillie will be at left and McCaffery on the right side. Smith and Rennie would be the subs in this case.

Two games will be played in the western section of the senior series of the Toronto Beaches Hockey League, at Kavina Rink tonight. The first game will be at 8.30, Goodyear v. Pathfinders; 9.30 p.m., St. Francis at Excelsiors.

All clubs must play postponed games at once.

The Beaches seniors practice with their O.H.A. team tonight at the Arena, when a full turnout is requested, as the team will be selected to meet the Classics on Saturday afternoon at the Arena.

EDDIE CICOTTE SIGNS.

Chicago, Feb. 6.—Eddie Cicotte, veteran pitcher with the Chicago Americans, signed a contract for the 1919 season tonight.

New World Marks By Lady Swimmers

Montreal, Feb. 6.—Helen Fitzsimons lowered two Canadian records, and Mrs. Forrest made one, at the competitions and exhibitions given by the M.A.A. today.

The performance of Miss Fitzsimons, who is 17 years of age, was a remarkable one. She lowered the mark for the 50-yards made by Mrs. H. J. Taunton, at Winnipeg, in 1917, by 3 2-5 seconds, while she lowered the mark for the 100 yards by almost three seconds. Her times were: 50 yards, 12 2-5 seconds; 100 yards, 1.20 4-5.

The record made by Mrs. Forrest was another creditable performance. Mrs. Forrest swam the 220 yards in 4.14 2-5 seconds. This is a new distance for lady swimmers.

Soccer Clubs Busy Preparing for Season

Many people thruout the city have wondered what has become of the Parkview Club. Like many other clubs, this organization has fallen on account of so many enlistments of the club members; but, nevertheless, they have carried on during the war, but not as well as they did before the war.

The club members are again coming together and talking over the plans for the coming season, and, by the way the members are responding, the Parkview Club is going to be one of the best-known clubs in this city.

Altho Parkviews have lost a lot of athletes on account of the war, they have still kept on, and during the period of the war they won two championships—one in hockey and one in baseball—and got as far as the finals in two football leagues, but were shut out by close margins.

Many of the old players of this club are now playing for higher clubs, and are even going so far as the United States to play football for some of their teams. Arthur Halliwell, the Ulster goalkeeper, a former member of the Parkview Club, and who yet is president of this organization, is going to the United States to play goal for a first-class team of soccer players.

This shows the brand of sportsmen that come from the Parkview Club, when a boy 18 years of age can go and play goal for a team of old English and Scotch players. Now that the boys are coming back from "over there," the club expects to get under way for a great season.

The Linfield Rovers will hold their first practice game on Saturday afternoon at Frankland School grounds. All last year's players please take notice and also any junior players who would like to try out with this team. The above club have invited the Imperial Rovers to a friendly game, so all players are asked to be out early. Imperial Rovers please take notice.

The Sons of England Athletic Club held its regular monthly meeting last evening at headquarters, 58 East Richmond street. Bro. E. Tomlinson, chairman, occupying the chair. A record number of delegates were present, over 35 lodges being represented. It is evident from the enthusiasm which prevailed that the club is going to have a successful season. Strong committees were struck off to form not only soccer teams for the senior and junior leagues, but also cricket and baseball teams. The season's activities have placed the club on a strong financial footing, as evidenced by the reports presented last evening. Another monster euchre party has been arranged for Friday, March 7, when two of the largest rooms in the building have been engaged. Eight substantial prizes will be contested for.

OTTAWA SCORES FIFTH STRAIGHT

Defeating Arenas in Well-Played Game at the Capital by Two Goals.

Ottawa, Feb. 6.—Tho the champion Toronto Blue Shirts gave Eddie Gerard's Senators the hardest kind of an argument at the Arena tonight in the second local fixture of the second half of the season in the National Hockey League, the Ottawas managed to pull out successfully, winning by a score of 3 to 1. It was Ottawa's fifth straight victory and four in succession on the second half; they are closing their grasp on the championship honors. A crowd of about 5,500 witnessed the match, the attendance being one of the largest of the season.

For the first period, the checking on both sides continued so heavy and so close that the play lacked the usual spectacular effects. It was at that stage exciting, but not fast hockey, the backskating of both forward lines being consistently effective. After that the teams tired and pretty hockey became the order of the night. In the second and third periods it was fast hockey, with pretty individual and combination rushes to brighten up its features.

Ottawa had the edge thruout, but Toronto kept going faster and faster, and not until the final bell rang did Alf. Smith's league leaders have it salted away. It took place over a beautiful sheet of ice, and the game was minus the sensational features which marked the big overtime struggle against the Canadiens last week, it was good all the way thru, and local fans went wild with delight over the Ottawa victory. They cheered themselves hoarse when Ottawa pressed ahead in the second session, and nearly raised the roof when Jack Darragh put the game on ice by making it three-nothing in the final session.

The match was conducted under the vice-regal patronage of His Excellency the Duke of Devonshire, and a party from Government House. The governor-general, who has become an enthusiastic hockey fan, and who attends all the games when in the capital, arrived just before play started, and was greeted by the band of the G. G. F. G., which played the national anthem.

Every seat in the big arena was sold and several hundred were satisfied to have standing room accommodation, so great was the demand.

SEATTLE TIES IT UP BY DOWNING ARISTOCRATS

Seattle, Wash., Feb. 6.—The Seattle hockey club rose out of its slump and plastered the Victoria aristocrats with a beautiful trimming last night, dragging the Canadians out of first place and tying the race into a knot. The score was nine to one.

The locals pulled themselves together and played like a real hockey team. From the opening whistle they opened up with the assortment of plays and passes which featured their work earlier in the season. The local forwards peppered Goaler Murray with shots from all angles.

The Mets outskated the invaders, they outchecked them and beat them in every department. Morris is now in front with a total of 13 points. "Cully" Wilson got five points for his night's work, which puts him tied with Taylor and McKay. Jack Walker also got five points, four of them assists, which is more than the hook-check artist has been able to score all season.

ST. JAMES ARE VICTORS OVER N. TORONTO CLUB

The St. James' Rifle Club defeated North Toronto by four points on Wednesday evening, after a close match. The efforts of the tail-end of the winning team, led by Hawkins, the ex-prize-winner of the King's Prize, Bisley, contributed greatly to the final result. The standing of the different teams competing for the Walker House Trophy shows the Irish first leaders, with four wins to their credit. St. James', North Toronto, Exhibition and Irish second have each won two and lost two matches, whilst Parkdale have failed so far to score a win. The present tie of four of the competing teams will be broken next week, when the Irish second meet the Exhibition R.C., and, as both teams are shooting well, an exciting match is expected. PENNOCK AND HILL STAY OUT IN COLD

Refused Reinstatement by T.A.B.A. at Executive Meeting—Delegates Appointed.

The T.A.B.A. held an executive meeting at Moss Park centre last night when business of considerable importance was transacted.

The application of Pte. Angus Pennock for reinstatement was refused, owing to the fact that in addition to playing with Toronto semi-pro teams he had also played against a Hamilton semi-pro club.

The request of Nat Turofsky for reinstatement was referred back until the player has opportunity to give definite information regarding his baseball activities.

Alex Hill also applied for reinstatement, but owing to the fact that under a ruling of the A.A.U. of C. whereby any player trying out with a pro club automatically becomes a pro ineligible for reinstatement, the request could not be granted.

A. Clarke, who had been expelled from amateur sport for an offence committed in the Lake Shore League a couple of years ago, also sought admission, but under the circumstances no action could be taken.

The following delegates were appointed to the O.A.A.U. annual meeting on Saturday: Messrs. Leroy, Darrell, Hewitson, Gow and Roxborough.

President Seyler was appointed representative from the T.A.B.A. to the newly organized union of all Toronto Athletic Associations for more playing accommodation.

The City Cup Group Reaches Semi-Finals

The semi-finals in group B of District Cup Group No. 1 will be played this morning at the Toronto ice at 9 o'clock, with the draw being Torontos v. Granites and High Park v. Lakeview. Of the clubs scheduled to play yesterday, Orangeville was the only rink that defaulted, and this places Torontos in the semi-finals without a game.

In the preliminary round in the morning at Toronto High Park was 20 up on Swansea and Queen City defeated Parkdale by 17 shots. These two winners met in the afternoon, High Park winning by 5 shots. On the same ice Lakeview disposed of Richmond Hill, the latter being forced to play with strange stones.

The closest game of the competition was at Queen City ice, when Granites beat Brampton by 2 shots. The scores:
