Considerable amusement has been caused by the answer which Mr. Joseph Chamberlain, the Secretary of State for the Colonies, made to the reporter's request for interviews at Liverpool, on his return from the United States. The German Empress and Her Suite

This is Really Awful.

The zeal of the Sultan of Turkey to renovate every town and village in Palestine through which Emperor William of Germany passes has resulted in even holy places being vandalized. The historical house of Simon, the Tanner, where St. Peter lived, has been painted bright blue and its floors have been laid with colored tiles. Besides this, the building has been enclosed by a gaudy fence, while a superb lron screen over the dome of rock, dating back to the days of the Crusaders, has been coated with yellow paint.

The possibility of obtaining a son to preserve the line of direct succession, it is thought, may induce him to overcome his own personal inclinations. The present heir-apparent, Archduke Francis Ferdinand, son of the late Archduke Charles Louis, second brother of the present Emperor, is not a strong man, and it is feared he will not succeed in governing the unruly Austrian Empire, and the marriage of Emperor Francis Joseph with a certain youthful Princess is already mooted.

GENTLEMEN,—I have for a long time needed something to make blood and build up my system. My blood was watery and thin, lacking strength and vitality. FATAL ACCIDENT AT THORNHILL. Five-Year-Old Johnnie Vanderburg Run Over by a Wagon

and Killed. Friday afternoon about half-past four John, the little 5-year-old son of Isaac Vanderburg, section foreman on the Northern Railway, was killed by being run over by a load of hay being driven to Thornhill station. The little fellow, and his sister, had been to Concord School, and were returning home. The two endeavored BREAKFAST to get a ride on a hay wagon, and the boy fell from his position and the wheels boy fell from his position and the wneels of another wagon that was following passed over his body. Mr. Nelson Smiley, who was driving the wagon with hay, did not see the boy, and was not aware of the accident until he had gone some distance. The injured boy was carried home and Dr. Langstaff called, but all efforts falled to save the bright little life. Much sympathy is felt for the parents of the deceased, who have only been in the neighborhood for a few months.
