**Popular—  
With the Family**

"MY dear fellow, I wouldn't go home on Saturday without a box of Maple Buds, any more than I would come down town without my hat. A weekend with four youngsters and no Maple Buds? No, my dear chap! Arm yourself with a box of Maple Buds for the family, and you are the most popular person in the house.

"Good? Didn't you ever taste them? Then take my advice and get a box to-day. The youngsters must have something sweet, but I don't believe in letting mine eat any old rubbish. I get Cowan's Maple Buds regularly. They're pure and wholesome, and the children love them. So does their Mother."

**COWAN'S**

Take Cowan's Maple Buds. They are the only genuine Maple Buds. You'll find the name on the bottom of each bud.

ELECTRIFICATION OF  
PERE MARQUETTE IS  
NEARING DECISION

Proposal Will Be Strongly Supported by Border Cities and District.

SARNIA, April 23.—During an interview made public tonight, Mayor William Nott, the subject of the hydro radicals, stated that the Pere Marquette Railway running from Walkerville to Chatham and thence to Sarnia is nearer becoming an electric road than the majority of people think, and it expected that Sir Adam Beck will shortly visit this city and go thoroughly into the project.

Residents of this section of Western Ontario favoring hydro radicals are keen on the idea of turning the M. into an electric road, and tonight it was stated that the M. into the future, meetings will be held in the near future, in Sarnia, Wallaceburg, Chatham and Walkerville.

One of the propositions that will be put before Sir Adam Beck and the hydro radicals will be to allow the turn the Pere Marquette road into an electric line, and also joint it up with the Border Cities, recently taken over by the Hydro-Electric Commission at Wallaceburg.

U. S. SENDS WARSHIPS  
TO MEXICAN WATERS

Citizens On Pacific Coast Ask Protection.

WASHINGTON, April 23.—Two warships from the Pacific fleet were en route tonight to Mexican waters to protect American citizens and interests at Mazatlan and Topolobampo. They were dispatched from San Diego today on orders from the navy department after requests for protection had come from United States representatives at those ports. A similar request came from the United States agent at Frontiers on the Gulf coast but was not acted on pending further investigation of the situation there. The cruiser Galveston is at Tampico, a short distance from there.

The situation at Mazatlan and Topolobampo is unknown here. There had been no report of disturbances at either place. The dispatches received reported the arrival of 300 Government soldiers at Mazatlan.

Sonora State forces, in rebellion against the Carranza Government, are known to be pushing on toward Mazatlan, the most important Mexican gateway on the Pacific.

There are extensive American interests at Mazatlan, where the Mexico California Steamship Company has its terminal. Word has been received at the office of the company that both of the Mexican ports have been closed.

THE PLAGUE  
OF PIMPLES

Body Covered With Them.

The primary cause of pimples arises from the blood not being in a good condition. When the blood becomes impure you will find that pimples will break out all over the body, but more particularly on the forehead, nose and chin, and although they are not a dangerous trouble they are very unsightly. What you need when pimples break out is a real good blood purifying medicine such as Burdock Blood Bitters.

This preparation has been on the market for over 40 years and is the most reliable remedy for all troubles arising from a bad condition of the blood. It removes all the impurities from the system, and will leave a clear, healthy skin.

Mr. Emerson G. Goodwin, Cambridge, N. B., writes: "For nearly two years I suffered from boils and pimples on my face and neck, and nearly all of my body was covered with the pimples. I tried most everything, but got no relief. One day a friend advised me to try Burdock Blood Bitters, and after trying three bottles the pimples and boils had all left me and there is no sign of them returning. I can strongly recommend B. B. B. to anyone who is troubled with skin disease."
