OTTAWAS WON GAME BUT LOST THE ROUND

Canadiens Scored Goal That Landed Championship, With Three Minutes to Go.

Ottawa, March 10.—The championship of the N.H.A. for the season of 1917 goes to the Canadiens of Montreal. In the final game of their home and home series, played at the Arena last night, Ottawa defeated Canadiens 4 to 2. As the habitants had won at Montreal last Wednesday, 5 to 2, they thus pulled out on the round by 7 to 6, capturing the O'Brien Cup and qualifying to play off at Seattle against the Pacific coast champions.

The game was a hard fought one from start to finish. It took place on a sticky sheet of ice which favored Canadiens, and thruout both teams maintained a lightning pace. Canadiens played a defensive game, but Ottawa scored two in the first period, both by Darragh, and appeared in a fine way to win out. Corbeau scored for Canadiens in the second, after which Boucher netted one for Ottawa, it being 3-1 when they came out for the third. Cy Denneny, subbing for Eddie Gerard, broke away after six minutes play, took Nighbor's pass and drove it in behind Vezina for the goal that tied the score. Ottawa continued to outplay Canadiens and it seemed only a matter of time when they would take the lead, but with three minutes to play, Benedict failed to clear a shot from Reg. Noble, and Tommy Smith, who played in Lalonde's place, brought defeat to his home team by batting the rubber into the twine. Ottawa then sent every man down on the attack and had several chances, but they failed to tie it again and Canadiens skated off victorious. Smith and Laviolette starred for Canadiens, while Darragh and Cy Denneny were Ottawa's best.

Play was strenuous, Referees Bronnan and Marshall handing out twenty-eight penalties in all. Lalonde did not play. Seven thousand five hundred people witnessed the game, the police again forcing the rink management to close the doors and turn many away. Manager Kennedy announced that Canadiens would leave for the coast tonight. They play their first game against Seattle next Saturday night. The teams:

Ottawa (4):		Canadiens (2):
Benedict	Goal	Vezina
Merrill	Point	Corbeau
Shore	Cover	Mummery
Nighbor	Centre	Smith
Darragh	Wing	Pitre
Gerard	Wing	Noble

Subs: Ottawa—Boucher, Cy. Denneny, C. Denneny, Lowrey. Canadiens—Laviolette, Couture, Lalonde, Berlanquette.

Guelph C. I. Girls Win Basketball Title

Guelph, March 10.—Guelph Collegiate Institute girls' basketball team have brought glory to the C.C.I. by winning the Interscholastic League, composed of Stratford, Kitchener and Guelph Collegiates, and by going thru the season without the loss of a game. They have become winners of the Whyte Trophy for the ensuing year. The final game was played today at G.C.I. gymnasium between Stratford and Guelph Collegiates, and resulted in a tie, 12 to 12. The game did not effect the league championship, as Guelph had already won. All the Guelph girls played well, Miss Nunan's splendid work being particularly brilliant. Miss Whyte and Miss Chandler of Stratford were the stars of the visitors' team. The teams:

Stratford (12)—Forwards, Miss Whyte and Miss Chandler; centre, Miss Tobin; guards, Miss Robertson and Miss Hislop.

Guelph (12)—Forwards, Miss Brydon and Miss Hilliard; centre, Miss Scott; guards, Miss Nunan and Miss Yates.

Knocking Down Fivepins for Prizes

A big individual handicap fivepin tournament for prizes was held at the Toronto Bowling Club Saturday night, when members of all leagues toed the foul-line in the open competition, based on their averages in their respective leagues up to date. Several freelance artists also got in on the competition, including Fred Pyne, an old-time battler of some renown, who, carrying a ton of weight and a 35-pin handicap per game, which was based on his performance in the late grind, romped home an easy first, with the big total of 663. "Doc" was probably influenced by the swell cut-glass silver-mounted lunch service he later received, and which the sunny one remarked would work overtime under many a cherry tree during the long-coming, but hot and dry months, that will soon be here.

A special prize for high scratch roller was awarded to Geo. Dunk, who collected 599 in his three games, and received a cameo flower pot.

Jack Beilby, winner of the booby, with a 445 collection, including his handicap, was not forgotten, and will take many a drink from the cut-glass pitcher he received, and which would do justice to the first-prize winner.

Following are the prize-winners and runners-up:

1—Fred Pyne, score 663, cut-glass lunch service.

2—Bud Thorne, score 635, pair thermos bottles.

3—W. Malcolmson, score 602, cut-glass jelly.

4—J. Stone, score 594, cameo flower pot.

5—Bert Moore, score 565, cut-glass vase.

6—Geo. Johnston, score 562.

7—High scratch roller, G. Dunk, score 599, cameo flower pot.

Booby—Jack Beilby, 445, cut-glass jug.

ST. PATRICKS WON FROM RIVERSIDES

Capturing First City Championship Hockey Game in Arena by Two Goals

St. Patricks turned the tables Saturday night at the Arena in the first game of the city championship series, when they trimmed Riversides by the score of 7 to 5. The ex-champions were without the services of Parkes, but Ferriman replaced him, and several other subs were used, including a number of debutantes from this year's junior septets, who will move up into the senior series next year. St. Patricks, on the other hand, had their regular line-up, and, besides, had a large number of good subs, which they changed every few minutes. The game was played six men a side, which, it is rumored, will be tried out next season in the senior O.H.A., and it gave plenty of opportunity for individual work, but more often than not it found both defences too far out. The crowd was very poor, but they were well satisfied with the brand of hockey exhibited.

St. Pats were trying from the start, and soon had the Riversides on the defensive. This was not altogether to the liking of the east-enders, and Smith and Merrick tried end-to-end rushes in an attempt to stay the attack of the green shirts. Connors, in goal for the Parnells, was better than a stone wall for the greater part of the game, while the Riversides shot like a bunch of novices. They never seemed to be able to find the nets, and their attacks failed to bore in. On the other hand, Bill Adams and Jack Adams played like Laviolette. They rushed at will, and time after time they carried the attack right into the nets. Jack Adams, especially, was very useful. His shooting was of the best, and Collett fell for the most of the tries.

J. Adams led off in the scoring and put St. Pats one up before six minutes of the play had passed. Four minutes later Stan. Brown and Halpin combined for the second tally. The rest of the first period was a battle royal, in which the Riversides were not able to break into the tally column. Smith started the attack in the second period and finally, after some splendid individual work, came right thru and beat Connors. Jack Adams was not to be denied, however, and his lone rushes were successful eleven minutes later and again a minute later. This made the score 5 to 1, and Stan Brown led another attack thirty seconds later, in which he combined with Jack Adams for the sixth tally of the game. The third period saw the Riversides well down on the scoring list, but McCaffery took one of the mangin back, and Merrick followed with two tallies by combining with his partner, Smith. This made the score five to four, and it looked as if Riversides were going to tie it up. St. Pats, however, took on a new lease of life and Jack Adams, following up a wicked shot, caught Collett napping on two occasions. This turned the tide and the game ended with Spring leading the attack for Riversides just before the game ended and Dopp netted on a neat pass.

TORONTO DENTALS ARRIVE WINNIPEG

Are in Good Trim and Create Favorable Impression in Prairie City.

Special to The Toronto World.

Winnipeg, March 11.—The Toronto Dentals, champions of the O.H.A., arrived here today in good shape after their long journey to take on the Saskatoon Pilgrims in the first game of two of the semi-finals for the Allan Cup tomorrow night.

During the morning the Toronto players had a light workout at the Amphitheatre Rink, where they will play the Saskatchewan champions tomorrow night. The easterners looked good in practice, and many of the critics conceded them a chance to take back the Allan Cup hockey title with them. They showed speed and shooting powers, while their combination play appetaled to the railbirds. Captain Laflamme said that all the boys were in the best of condition and were confident that they would get the long end of the score tomorrow night. "From what we have heard of the Saskatoon team they are big and fast and tricky players, and tho we recognize that it will take a lot of good hockey to win, all the boys can be counted upon to do their best, and we feel that we can beat the westerners," was the way Capt. Laflamme, who is playing his second Allan Cup series in Winnipeg, figured the game when asked his opinion at the Fort Garry Hotel tonight.

Soft ice is the prospect for the first game and this will handicap both teams to a great extent, and the heavier western players should benefit.

Bill Noble, president of the Manitoba Hockey Association, and Fred Bawlf of Winnipeg have been agreed upon as officials. The teams have not yet decided whether Ontario or Saskatchewan rules will be played tomorrow night, the only difference being the offside rule.

From the work shown by the Dentals and Pilgrims in practice the Victorias of Winnipeg will have to extend themselves to keep the cup here.

Balmy Beach Club Held Red Cross Shoot

In place of the regular weekly shoot of the Balmy Beach Gun Club they held a Red Cross shoot, and what was expected happened, and true to the old saying: "When the Beach does it it's better." It was a grand success, and the day was fine, all of the 50 shooters taking part. W. H. Gooderham was high for the day. The following were the prize-winners:

Messrs Gooderham, Shaw, Candee Jr., Marsh, Hoey, Francis, Candee Sr., Hunter, Lennox, Thomson, W. P. Goodale, Thomson, C. Edwards, Cooey, Jennings, Long. A team from Hampton shot a match with a picked team and won out with a score of 455, against 439. Next Saturday the Beach Club will visit the Stanley Club in a match shoot for a cup.

FIGHT FOR LIGHTWEIGHT CHAMPIONSHP TONIGHT

New York, March 10.—Charley White and Joe Welling, Chicago's lightweight contenders, who meet in a ten-round bout at Madison Square Garden Monday night, finished training here today. Both claim to be capable of making 133 pounds, and the much-mooted American lightweight title may be partially cleared up when they meet.

White, altho a favorite to win, is expected to find a worthy opponent in Welling, who has improved greatly during the past few months.

Breaking Tenpin Bowling Records at Grand Rapids

Grand Rapids, Mich., March 10.—All but two of the records of former tournaments are expected to be relegated to the discard by the time the last bowlers cians up his games in the present tournament of the American Bowling Congress, now winding up its first week in this city. Toledo started the big stuff on Thursday night when its Hotel Navarre team, state champions of Ohio, ran into first place with 2932, towing along with it the Overland Trim Shops with 2863 for a temporary grip on second place.

The two records that the fans expected to see stick are the 300 game that is forever safe with William Knox of Philadelphia and the 1972 all-event mark established by Ed. Herrmann at Toledo four years ago, when the Cincinnati man went after the pins with one of the worst dodo balls ever turned loose on the maples.

Never before have pins fallen so easily as they are doing here, the slightest kind of a hit serving to shoot the wooden soldiers into the gutters. That there is not a row of big 1200 and 600 counts in the minor events and a bundle of [illegible] is the best proof to the [illegible] their spares. Errors are the main source of low totals this year.

The Coliseum building, in which the tournament is being staged, is the best structure that has ever housed a national meet, while it is more convenient to the centre of the city than any other tournament building with the lone exception of Louisville's 1906 meet.

Politically the congress had little to disturb this year, all of the old officials being re-elected with the exception of three of the executive committeemen. Two amendments were adopted by the congress; one changing the method of holding the individual event so that four men roll on an alley at the same time, the same way as the doubles have always been rolled, while the singles will follow the doubles an hour later, the schedule alternating all day from the two-man to the individual event.

Capt. E. J. Ryan of Detroit proved almost the lone objector to the proposed change and he was allowed all the time he wanted to oppose the measure. The final vote showed him practically without a supporter.

Cincinnati's selection as the home of the 1918 tournament proved a popular one judging by the overwhelming vote cast in favor of it. Peoria made only a half-hearted bid for the [illegible] Cincinnati boosters predict that the next meet will draw over 800 clubs and break all records by a wide margin.

Aura Lee 2, St. Nicholas 1

New York, March 10.—The Aura Lee club of Toronto, junior champions of Ontario, strengthened by Rennie and Watson of the seniors and Parkes of the Riversides, defeated St. Nicholas tonight 2 to 1. Dye scored both goals. Hobey Baker starred for the losers and scored the goal. The game was fast and clean and enjoyed by a large crowd. On Monday night Aura Lee play the Crescents of Brooklyn, with Frank Heffernan in the line-up.

FIVE CLUBS NOW IN NEW SOCCER LEAGUE

Officers of the Provincial Want One More Team to Round Up Circuit.

The second meeting of the proposed new football league, in Oddfellows' Hall, College street, on Saturday, was well attended. Mr. Tom Guthrie was in the chair, Mr. W. Cummings acting as secretary. The meeting unanimously decided that a league, as outlined by the chairman, that would command the best players in their respective districts was essential if the game was to prosper and command the public patronage. There was a lively discussion as to whether this was a fitting time to organize or wait until the conclusion of the war. Several of the speakers were in favor of organizing and suspending operations until after the war. Ultimately it was decided to organize and apply to the O.F.A. for immediate affiliation.

The following well-known gentlemen were appointed as the executive for the new league, which is to be known as the Provincial Football League: Messrs. E. W. Robinson, H. McGregor, Tom Brownlee, A. C. Walker, J. H. Riddell, S. Clark (Hamilton), Tom Watson, W. Fenton, R. B. Muir, A. Beeston and C. Watson.

These gentlemen are not connected with any club and will appoint their own chairman and secretary-treasurer. Each affiliated club will have one representative on the executive. The following five clubs have already affiliated: Irish Canadians, Queen City, Beaches, Torontos and Hamilton City. The executive invite applications from one more club, to make a six-team league. Information can be had from any of the above gentlemen.

T. & D. MEETING.

The weekly meeting of the directors of the Toronto & District Football Association will be held tonight, when the dates for league games, cup competitions and inter-city games will be decided on. It is also very probable that one of the old league teams will apply for the vacant position in the league. Any referee desirous of officiating in the league this season is requested to send in his application as soon as possible.
