London, Ont., Sept. 13.—The speed events before the grand stand at the Western Fair, which opened today, required four fleats in each event before a winner was declared. The plan introduced made every heat a race, and the drivers hustled thruout, the the innovation is not looked upon with approval by horse owners. F. S. Scott won the 2.15 trot with Valerie Todd, while the 2.25 pace went to Turner's High Note. The time made was good, and the crowd was kept in good spirit by Mr. P. E. Yates, the starter. The auto pole game in front was also most exciting. Summary:
