Kidney Disease for Years

This Well-Known Gentleman
Strongly Recommends "Fruit-
atives" to All Sufferers.

JAMES DINGWALL, ESQ.

"I have much pleasure in testifying to the almost marvelous benefit I have derived from taking 'Fruit-atives'. I was a lifelong sufferer from Chronic Catarrh of the bladder, and the only medicine I ever secured to do me any real good was 'Fruit-atives'. This medicine cured me of everything else failed. Also, I am now a sufferer from Chronic Catarrh of the bladder and kidney trouble. This medicine is very mild like fruit, is easy to take, but most effective in action."

THINK ZELAYA IS
STILL PLAYING GAME

Bluefields, Dec. 17.—The American grip on Bluefields was tightened today when Commander Shipley, of the cruiser Des Moines, on the authority of Rear Admiral Kimball, in command of the American forces issued a proclamation formally stating that no fighting would be allowed at Bluefields.

Washington, D. C., Dec. 17.—The United States auxiliary cruiser Buffalo, now at Panama with 700 marines on board, has been ordered to sail at once for Corinto. This action was taken today as the result of a telegram received from the United States consul at Managua, that inasmuch as Zelaya in his message regarding the presidency made unpleasant reference to Americans, and a report was current in that city that civilian adherents of Zelaya had been armed with daggers, the citizens of the United States residing in that city have appealed to the consulate for protection.

Another telegram from the American consulate at Managua states that it is currently rumored that when Madriz arrives in Managua, presumably tomorrow, Zelaya will formally surrender his office to the national assembly and that body has already received instructions from Zelaya to cast its vote for Irías as president of Nicaragua.

This rumor is directly at variance with the understanding here, based on dispatches from Nicaragua officially or otherwise that Madriz would receive the support not only of Zelaya himself, but of his faction.

Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running ear, or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation be taken out and this tube restored to its normal condition, hearing will be forever lost. We will give you Circulars free.

\$3.50 RECEIPT CURES

WEAK MEN--FREE

Send Name and Address To-day—You Can Have it Free
and Be Strong and Vigorous

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, failing memory and lame back, brought on by excesses, unwholesome drains, or the follies of youth, that has cured so many weak and nervous men in their own homes—without additional help or medicine—that I think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. I am determined to send a copy of this prescription free of charge, in a plain, ordinary sealed envelope to any man who will write for it. This prescription comes from a physician who has made a special study of men and I am convinced it is the surest-acting combination for the cure of deficient manhood and vigor failure ever put together.

I think I owe it to my fellow men to send them a copy in confidence so that any man anywhere who is weak and discouraged with repeated failures may stop dragging himself with harmful patent medicines, secure what I believe is the quickest-acting restorative, rebuilding, SPOT-TOUCHING remedy ever devised, and so cure himself at some quiet time quickly. Just drop me a line like this: Dr. A. E. Robinson, 4906 Luck Building, Detroit, Mich., and I will send you a copy of this splendid recipe in a plain, ordinary envelope free of charge. A great many doctors would charge \$3.00 to \$5.00 for merely writing out a prescription like this—but I send it entirely free.

DICK HYLAND DEFEATED IN TEN
ROUNDS BY JOHNNY THOMPSON

Ketchel Needs the Money and Will Get to Work—
Telegraph Wins Bowling League—Ring, Baseball, Hockey and General Sport News

Kansas City, Mo., Dec. 17.—Johnny Thompson tonight won the decision over Dick Hyland in a ten-round fight.

Stanley Ketchel was to leave California for New York at the end of this week. He intends to work a little at his trade, too, while in New York. He has his friend Wilson Miner looking over the one night stand field. Ketchel needs the money, as a matter of fact. He has been living at a cost of \$17 a day, and a prince would not turn up his nose at the sum.

Ketchel has thrown his money right and left since the Johnson fight, and if it were not for his share of the moving pictures of that battle he might now be stranded. Ketchel will invade Europe besides. Ketchel has refused offers from George Little to join him and follow Jack Johnson over the circuit.

Battling Nelson claims that he will cancel all theatrical engagements at the end of next week in order to prepare for his match with Freddie Welch, which is scheduled to take place in England on Feb. 12. The purse announced is \$20,000. Nelson is supposed to receive two round trip tickets to Europe and \$5000 for training expenses.

The St. Joseph's won from St. John the Baptist's in the Inter-Society Bowling league last night. The score was 1208 to 1168.

The C. P. R. general office team defeated the Brock & Peterson team on the Victoria rink last night, by a score of 1168 to 1144.

The pool tournament conducted by the Young Men's Society of St. John's was brought to a close last night, the ten captained by D. McCarthy winning the handsomely provided trophy donated by the chaplain, Rev. W. M. Duke.

MEN! I WANT TO
TALK TO YOU
ABOUT THIS BELT

I want to talk to men who have pains and aches, who feel run down physically, who realize that the old "fire" and energy which was so evident in youth is absent now; men who can't stand the amount of exertion they could years ago. I want you—if that means you—to see what I have done for others who were just as bad off. That's my introduction. If a friend in whom you had confidence presented some one to you and said "Jack, here's Brown; he has made good with me and I trust him," wouldn't you trust him too?

Now if you don't feel right, I can cure you with my Electric Belt. If you are full of Rheumatic Pains, I can knock them out. I can pour oil into your joints and limber them up. I have often said that pain and electricity can't live in the same house, and I prevent every day.

Mr. A. S. Mace, Justice of the Peace and Police Magistrate for Kings County, N. B., writes me on Oct. 28th from Norton, N. B., as follows: "Dear Sir:—Replying to your favor will say that your belt has given me much satisfaction. I had a sufferer who I think mine was a hard case to help, being troubled with sick headache, and very bad pains in my head and back, and I'll hammer away until you know it. I am pleased to say that after wearing your belt for a while I slept better, and my sick spells are much less frequent. The current generated by the battery was fine and soothing and gave me good satisfaction in a great many ways."

Mr. W. G. P. Fritzel writes from Municipal House, St. John, N. B., on Nov. 22. Here are his words: "Dear Sir:—I wish to congratulate you on your success in inventing such a blessing to mankind, as your electric Belt. I should have written to you about my belt before. I wore it only three weeks, then all the rheumatic pains in my back and thighs left me, and my bowels became regular."

It is not for the prejudice, due to the great number of fakes in the land, I would not be able to handle the business that would come to me. The "Free Belt" fraud and the "Free Drug" scheme, which are not free at all, or the "Just as Good" Belt offered four dollars or two, which gives no current at all, have made every one suspicious. But I know that I have a good thing, and I'll hammer away until you know it. One thing, every man ought to know is this: Your body is a machine. It is run by the steam in your blood and nerves. When you begin to break down in any way, you are out of steam. That's just what I want to give you back.

I have a cure in every town. Tell me where you live and I will give you the name of a man I've cured. Tell me your trouble, and I will tell you honestly whether I can cure you or not. If I can't cure you I don't want your money. I have been in this business 24 years and am the biggest man in it today by long odds, and I am growing yet, because I give every man all he pays for. I don't want to cure you for nothing, and I'll hammer away until you know it. I am pleased to say that after wearing your belt for a while I slept better, and my sick spells are much less frequent. The current generated by the battery was fine and soothing and gave me good satisfaction in a great many ways."

THE HARKINS COMPANY.

The Harkins company repeated the Land of the Midnight Sun at the Opera House and again scored a success. At the matinee today the bill will be The Thief, in which only Papa's Duette—sixty-cent hit on Monday and Wednesday nights.

Lovers of good acting and good plays should see it. Tonight the company will close their engagement with a presentation of The House of a Thousand Candles. Those who have read the book, and who have seen the play, will want to see the play. A brief synopsis of the story is as follows:

John Glenham, an eccentric and wealthy old man, desiring to see how his heirs would act after his death decides to give out the story that he has suddenly died. The only one in the secret is his butler, Bates, who he requests to notify his relatives of his death. Bates does so, and the result is he gets himself accused of all sorts of crimes, and finally gets into serious trouble. Later Mr. Glenham appears, greatly to the relief of some relatives and to the regret of others. The play is a very strong one and requires the full strength of the company. The House of a Thousand Candles was presented in New York by Jas. K. Hackett, with the famous actor E. M. Holland in the leading role and was one of the big dramatic hits of the year. There is a good stage for tonight and a fine orchestra point to a large and fashionable audience.

BIG TIME AT NICKEL TODAY.

Yesterday afternoon the Nickel was crowded to capacity. The 2 o'clock until the closing hour, the vast majority of those present being boys and girls full of Christmas anticipation and over-bubbling with delight at the prospect of being competitors and possible prize winners in the Nickel's big Kris Kringle Jubilee Contest which will be drawn on a close and exciting basis on Monday, December 27th of this month. Hundreds of the completed jingles were placed in the big red box in the lobby but today it is expected that in this merry battle of childish wit and the prize winners will certainly be the happiest boys and girls in St. John when they receive their awards. The Nickel's show for today is filled with the most engaging items of entertainment, the chief of which is the Bozarth family story among the Breakers, featuring a rather pathetic incident in which a sweet little child plays prominent part. There are two roving gaily comedies entitled Two Sides to a Story and Baby's Swallowed a Nickel, and in addition there will be a western film which the boys and girls take most delight in. Miss Leavitt and Master Packer are going to sing pretty song numbers and there will be plenty of sparkling music.

On Monday the Nickel commences its first of the imported pictures in the film, The Alibi Parody, an actual motion picture production of the ideas of Rudyard Kipling, H. G. Wells, Jules Verne and other powerful writers of imaginative fiction. The big Kris Kringle matinee will be enhanced in interest by the appearance at 2.15 and 3.45 of no less a personage than good old Santa Claus himself, who will arrive in an airship and will walk among the children in the audience collecting from them their Kris Kringle coupons.

Constipation.

No one need expect to be healthy if the bowels are allowed to become clogged up. A free motion of the bowels daily should be the rule with everyone who aspires to perfect health.

Costiveness or constipation clogs the bowels, chokes up the natural outlet of impure matter, and retains in the system the poisonous effete waste products of nature, causing indigestion, dyspepsia, headache, nervousness, skin eruptions, pimples, boils, blotches, piles, etc. Burdock Blood Bitters has built up an unrivalled reputation as a cure for constipation and all the ailments which arise from it.

Mr. Burd Woodcock, N. B., writes: "I suffered for two years with constipation. I tried several physicians, but could get no relief, but after taking three bottles of Burdock Blood Bitters, I am completely cured and am today in good health. My wife and I cannot speak too highly of Burdock Blood Bitters."

If the weather should become very cold today, the opening will close, and the contest will be a slight delay will be necessary. Several of the fast skaters who have visited the rink are drawn to a close and the spectators have been made much more comfortable and pleased. The new training quarters would be a credit to the biggest of Montreal rinks, and in this, as in every other detail in connection with the rejuvenated Victoria, Manager Tufts has shown excellent judgment.

SPLENDID CHRISTMAS OFFERING AT THE ORPHEUM.

The Orpheum management has been successful in securing a particularly strong show for Christmas week. Opening Monday afternoon, will be presented Payton & Wilson, a colored team of comedy singers and dancers, who will be found not only in their special line of endeavor, but in amusement circles throughout the maritime provinces houses with great success, and come highly recommended. With them will be associated Harry Jordan, known in amusement circles throughout the continent as one of the Flying Jordans.

Mr. Jordan has taken this trip east alone, his brother having decided to take a short holiday. Jordan in his sensational trapeze and rink work takes a prominent place among the world's athletes, and his engagement at the Orpheum is expected to prove a notable one.

A pleasant time was spent in the school room of Portland Methodist church last night, when the members of the Junior Epworth League entertained. Those taking part were—Richard Saunders, Berton King, Lillian and Mabel McConnell, Kenneth McLaughlin, Carl Chase, Annie Calhoun, George White, Marion Fanjoy, Ethel McEachern, Myrtle Fanjoy, Annie Patterson, Ada Calhoun, Nina Chase, Rhea Bassett, Kenneth McLaughlin, M. White, Marion Fanjoy, Marion White and Rhea Bissett, and there were also choruses.
