## BOWLING

**WEEKLY ROLL OFF.**

The weekly roll off on Ricker's alleys for a prize for the highest score at candle pins was won last night after a closely contested game by J. Fitzgerald. The scores were not high, but much excitement was caused by three of the players being tie at the ninth frame. The highest score made was 84.

**Beavers Win League Championship.**

Excitement prevailed on Black's bowling alley last evening when, in the last game of the league series, the Beavers won from the North Stars, thus winning the championship of the league. If the Beavers had been defeated, it would have been necessary for them to roll off with the Electric, but by their victory last night they established their right to hold the handsome gold-lined cups, one of which will be presented to each member of the team. The success of the Beavers is largely due to the energy of their captain, S. McCord, in holding the team together, as it was the only team which played the same line-up through all the games. The scores last night were:

Beavers.	W.	L.	P.C.
McCord	85	92	91
Cowan	87	81	84
F. Peterson	79	85	85
S. Peters	78	85	82
W. Lingley	85	85	106
Total	422	436	471

North Stars.	W.	L.	P.C.
P. Campbell	87	88	101
A. Burt	77	81	86
W. Porter	78	85	86
W. Dickson	79	85	80
C. Barnes	88	89	82
Total	405	417	446

For the highest average made during the playing of the games, P. Campbell won a handsome satchel, with an average of 96 for the six games. W. Archibald came second with 94.5.

The league standing is:

Beavers.	W.	L.	P.C.
Electric	2	2	66.6
North Stars	2	4	33.3
Liablers	0	6	0.0

## HOCKEY

**City League Tonight.**

Tonight in the Marathon rink two games of hockey will be played in the City League series. The Marathons and Bankers will clash and the St. John's will line up against the Beavers.

**MONCTON DOWNED SACKVILLE.**

Moncton, N. B., March 12.—The Victorias tonight had everything in the first game with Sackville for the championship of New Brunswick and possession of the Spencer Trophy, and the game ended nine to one in favor of Moncton. The home team scored six goals to Sackville's one in the first half and added three more in the second half. Sackville won the game by a score of five to three. The game was fast and clean, being marked contrast with the game played between the same teams here last week.

The Victorias started off with a rush and scored the first goal in the first minute. Sackville found the net for the first time in the next nine minutes. Sackville, C. J. and Gregory shot three more. Crockett scored the sixth just before the half ended. The only goal scored by Sackville was by Stuart on a pass from Norman in the first half.

In the second half Crockett shot all three goals for Moncton. Crockett, Gregory and Crockett played a star game for the Victorias while Norman and Stuart did well for Sackville. Moncton, the Sackville goal tender, had many good stops to his credit, while the Moncton goal had more than four or five goals to its credit during the whole game. The Victorias were far superior to Sackville forwards and were superior shots.

Frank Brown was penalized twice and Norman once during the game. Fred Delahunt, Moncton, referred. The teams play again to-morrow night, but judging from tonight's exhibition the game is a foregone conclusion. The line up follows:

## AN EXTENDED TRIP.

The Abegweit hockey team arrived back at Charlottetown on Friday, after four weeks' experience of hardships and excitement. They were delayed by ice, snow blockade, railway washouts, shipwrecks, etc. They left Charlottetown on February 7th, and played two or three games at St. John's, Nfld.

## SKATING

**Hipwell Defeats Baird.**

Hipwell defeated Baird in a slow half mile contest in the Victoria rink last evening. The race started from opposite sides of the rink and Hipwell left quickly on the crack of the pistol and seemed to have the better of the race all through, winning by about two yards. The time was 1:55.

**Wood and Belva at Chatham.**

Chatham, N. B., March 12.—(Special.)—The races between Wood and Belva in the exhibition skating rink here tonight were witnessed by hundreds. In the 250 yard dash Belva came in first. Wood won both the 440 and 580 yards races.

## THE OAR

**WORLD'S SCULLING.**

The world's sculling championship since 1880, twenty-seven years ago, has been held by either a Canadian or an Australian, the latter predominating.

Ned Hanlon, the "Toronto Boy," as he was called, was the first Canadian aspirant for the title. He won the championship of America in 1878, by defeating E. Morris at Pittsburgh, and in 1880 he crossed the Atlantic to meet Trickett, the then world's champion, on the Thames. Hanlon won, repeating the performance two years later over the same course. Hanlon lost his laurels to William Beach, an Australian, who held his championship until 1887, when he retired, handing over the title to P. O'Connor, the latter retained the championship for a little time, defending it successfully against Hanlon and Gaudaur, amongst others, but eventually losing to H. E. Seales, an Australian, whom the critics concede to have been the greatest oarsman who ever sat in a boat. O'Connor, a Toronto oarsman, who had won the American championship, raced Seales in 1889 on the Thames, but was unsuccessful. Seales died shortly after and the championship passed to Stanbury. O'Connor journeyed to Australia to meet Stanbury and lost again.

In 1890 Gaudaur, of Toronto, won from Stanbury on the Thames, and although there was some talk of a second meeting between the two to take place in Canada, a couple of years later, they did not meet again. Hanlon retired in the early nineties, after having rowed as a professional since 1876, and his retirement left the field to Gaudaur. The latter, however, in 1901, when he was 39 years of age, was defeated by Towns. Stanbury resuscitated the scene in 1903 and defeated Towns. The following year, however, Towns won the championship back again.

Duman, who was defeated last week by Towns on the Nepean river, was destined to be a good sculler, being coached by his famous uncle, Hanlon. As an amateur he showed much promise, but he got into bad hands and was accused of throwing a race to Edwin Hedley on Toronto Bay. This knocked him out of the amateur ranks, but he had fully developed his skill. He continued to row, however, and in 1905 won the American championship from Tom Sullivan. Professional rowing has declined in recent years. There is not the same interest taken in the sport there was in the days of Hanlon, Beach, Seales, O'Connor and Gaudaur. There have been some good men notably, E. Hanlon, Ten Eyck, Denie Donohue, Corbett, Lou Scholes, developed in the amateur ranks, but no world's champions have been brought out. United States and England have never had a world's champion, but the colonies, Australia and Canada, have kept the British empire in the foreground as far as rowing is concerned.

## THE RING

**FITZ ON DECK AGAIN.**

"Bob" Fitzsimmons has accepted a guarantee of \$5,000 to box "Tommy" Burns six rounds before the National Athletic Club of Philadelphia next month.

**PALMER AND JACK "TWIN."**

Jack Palmer, the English heavyweight, has secured a match and will leave soon for Los Angeles, Calif., with Jimmy Lovess his manager.

While Lovess was negotiating with O'Brien for six rounds in Philadelphia, he was also in communication with James McCarey of the Los Angeles club with the result that Palmer has been matched for 20 rounds with Jack "Twin" Sullivan for March 28. Final arrangements were concluded and McCarey at once wired transportation for two.

According to the agreement the men are to fight at catch-weights for 50 per cent. of the gate receipts, to be divided 60 per cent. to the winner and 40 per cent. to the loser. If Palmer is successful against Sullivan he intends to challenge any man in the world and hopes to get on with O'Brien or Burns.

**MATCH FOR MIKE "TWIN"**

Jack (Twin) Sullivan has wired his brother Mike at Los Angeles to come to Pueblo, Colo., at once and prepare to sign up for a fight with Honey Melody. A wire received from the manager of Jack O'Keefe, Brookwood, Ill., says he is ready to arrange matches with Mike (Twin) Sullivan at Pueblo.

## BOXING GOSSIP.

Battling Nelson practically lost over \$10,000 by the English music hall strike while in London.

Unk Russell vs. Battling Nelson, for six rounds, at once and prepare to sign up for a fight with Honey Melody. A wire received from the manager of Jack O'Keefe, Brookwood, Ill., says he is ready to arrange matches with Mike (Twin) Sullivan at Pueblo.

Tommy Love, the Washington lightweight who has been doing such good work in the ring, is to meet Jack Dorman in New York.

As Joe Gans, the lightweight champion, has no substantial bank roll, neither Battling Nelson nor his manager, Billy Nolan, will do much dictating when the next match will be discussed. Gans was broke prior to the last contest with Nelson and he was more than eager to accept the \$10,000 of the \$30,000 purse. Now the shoe is on the other foot.

English sportsmen say that Jack Palmer was a great disappointment, having won the championship of America in 1878, by defeating E. Morris at Pittsburgh, and in 1880 he crossed the Atlantic to meet Trickett, the then world's champion, on the Thames. Hanlon won, repeating the performance two years later over the same course. Hanlon lost his laurels to William Beach, an Australian, who held his championship until 1887, when he retired, handing over the title to P. O'Connor, the latter retained the championship for a little time, defending it successfully against Hanlon and Gaudaur, amongst others, but eventually losing to H. E. Seales, an Australian, whom the critics concede to have been the greatest oarsman who ever sat in a boat. O'Connor, a Toronto oarsman, who had won the American championship, raced Seales in 1889 on the Thames, but was unsuccessful. Seales died shortly after and the championship passed to Stanbury. O'Connor journeyed to Australia to meet Stanbury and lost again.

The sixth annual meeting of the Carleton Branch Bible Society was held last evening in the Carleton city hall. The attendance was quite large, and the addresses of the evening were interesting. W. D. Baikin presided, and others on the platform were Rev. Dr. G. M. Campbell, Rev. H. R. Reid, Rev. W. H. Sampson, Rev. Mr. Fletcher, and Rev. R. P. McKim.

The election of officers for the ensuing year resulted as follows: W. D. Baikin, president; the residents' clergymen, vice-presidents; Enoch Thompson, secretary; Jarvis Wilson, W. J. Cornfield, D. C. Clark, Miss Gertrude Marsh, Mrs. Samuel Sewell, collectors.

As the annual report of the New Brunswick auxiliary has not yet been published, Secretary Thompson's report dealt with the Carleton branch. The report stated that the ladies appointed as collectors at the last annual meeting were sincere and hearty thanks for so promptly undertaking and so satisfactorily completing their arduous duties. The following sums had been handed to him by the collectors and he, in turn, had given to the amount to the general treasurer:

Mrs. Emma McLeod	.....\$12.10
Miss Norma Clark	.....16.50
Miss Jennie Craft	.....27.00
Miss Gertrude Marsh	.....27.00

Rev. Mr. McKim gave a general address on the Bible, its effects and the urgent mission of it. Fletcher, who is a returned missionary from Burma, and gave a very interesting account of it.

## LAKE ERIE HAD MORE THAN 1000

## Big C. P. R. Liner Docked Last Night With Large Number of Immigrants.

The big C. P. R. liner Lake Erie, Captain F. Carey, arrived off the island about noon yesterday and docked last evening about 6:30 o'clock. The steamer brought to Canada a large number of passengers. Exclusive of officers and crew, the number of persons aboard was 1,045 and on the voyage out no deaths or serious sickness took place.

The Lake Erie sailed direct to St. John from Liverpool. She encountered stormy weather all the way out but sustained no damage. The trip was made pleasant by several concerts, while impromptu sports served to relieve the tediousness of the voyage. Only one first class passenger came out, while there were 117 second cabin and 925 steerage. Included in the list was a party of 28 marines in command of Lieut. H. F. D. Jeff, on the way to Equatorial to join H. M. S. Egeria and Sherwater at present at that station.

All the passengers were landed last evening and the immigration officials and customs men had a busy time, it being late when all had been attended to. Most of the new comers are Englishmen en route to the Canadian northwest.

There was a meeting of the Free Kindergarten committee last night in the residence of Mrs. H. Colby Smith, Carleton, to discuss the advisability of opening a free kindergarten on the west side. The attendance, however, was small and nothing was done. It is probable a public meeting will be called to consider the project.
