GOOD WORDS FOR 26TH BATTALION

Highly Complimented by Minister of Militia at Inspection — At Sussex Also—How the Soldiers Spent the Holiday

Major-General Hon. Sam Hughes, Minister of Militia, arrived in St. John yesterday morning and was met at the station by the leading local officers. He spent the morning inspecting the railway construction corps and in the afternoon inspected the 26th Battalion, stopping to converse with each veteran in the ranks.

Addressing the battalion he complimented the men on their appearance and their record and congratulated their officers. Dwelling on what has been accomplished already by Canadians he said that he expected at least as much of the 26th.

Cheers were given for the memory of Queen Victoria, for King George and for the minister of militia.

Earlier in the morning the major-general visited Camp Sussex and inspected the 55th Battalion. His comment was, "The finest body of recruits I have seen in Canada; they are in splendid shape for the time of training they have had.

THE ONLY CURE FOR CONSTIPATION

Is "Fruit-a-tives" — That Wonderful Remedy Made From Fruit Juice.

Avon, Ont., May 14, 1913.

"I have used "Fruit-a-tives" for Indigestion and Constipation with most excellent results, and they continue to be my only medicine. When I first started about six years ago to use them, I took four at a dose but gradually reduced the dose to one tablet at night. Before taking "Fruit-a-tives," I took salts and other pills but the treatment was too harsh. I thought I might as well suffer from the illness as from these treatments. Finally I saw "Fruit-a-tives" advertised with a letter in which some one recommended them very highly so I tried them, and I have no hesitation in recommending them." ANNIE E. CORBETT.

HEART WOULD PALPITATE.

HAD WEAK and DIZZY SPELLS.

Palpitation of the heart is one of the most common of all heart troubles. The heart will beat fast for several seconds, then slow, then start to flutter, and a feeling of utter depression will come over the system accompanied by weak and dizzy spells, making you feel that you are surely going to die. When you feel this way what you require is a real good heart and nerve tonic; one that will strengthen the weak heart and build up the nerve system. For this purpose we know of nothing that can equal Milburn's Heart and Nerve Pills.

Mrs. J. S. Nicholls, Listowel, Ont., writes: "I was weak and run down, my heart would palpitate, and I would take weak and dizzy spells. A friend advised me to try your Milburn's Heart and Nerve Pills so I started at once, and found that I felt much stronger, and my heart was ever so much better within a short time. I cannot praise your medicine too highly for it has done me a world of good. My husband has also been bothered with heart trouble ever since childhood and finds great relief in using your valuable pills."

Milburn's Heart and Nerve Pills are 50 cents per box, 3 boxes for $1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Montpelier, Vt. — "We have great faith in your remedies. I was very irregular and was tired and sleepy all the time, would have cold chills, and my hands and feet would bloat. I am regular, my stomach is better and my pains have all left me. You can use my name if you like. I am proud of what your remedies have done for me." — Mrs. MARY GAUTHIER, 21 Ridge St., Montpelier, Vt.

An Honest Dependable Medicine

It must be admitted by every fair-minded, intelligent person, that a medicine could not live and grow in popularity for nearly forty years, and to-day hold a record for thousands upon thousands of actual cures, as has Lydia E. Pinkham's Vegetable Compound, without possessing great virtue and actual worth. Such medicines must be looked upon and termed both standard and dependable by every thinking person.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

WHY MODERN WOMEN'S HAIR IS GROWING THIN—By Mdm. Beaupre

Wigs, switches, curling tongs, artificial waving, singeing, etc., have combined to ruin the hair of many women, so there is decidedly an increase in baldness. But proper care will develop heavy, beautiful hair upon any head. In washing the hair do not use a makeshift which may remove more than the excess oil, leaving the hair dangerously dry, but use something which is made for shampooing only. A perfectly safe, economical, invigorating shampoo, that makes the hair so fluffy it seems much heavier than it is, can be had by dissolving a teaspoonful canthrox, which every good druggist sells, in a cup of hot water. This mixture cleanses gently, yet thoroughly, removing all dandruff, excess oil and dirt, giving to the scalp and hair the vigor that insures scalp-health and hair-beauty. Canthrox shampoos make the head feel good, make the hair look good, are very beneficial where hair is faded, dull or brittle, and the regular use of canthrox will greatly enrich the color of the hair and give a beautiful gloss and softness.

SONS OF TEMPERANCE

Grand Division in Semi-Annual Session Here—The Government and the Liquor Question

The semi-annual meeting of the N. B. Grand Division. Sons of Temperance, met with Excelsior Division in the Temperance Hall, St. James street, last night, E. W. Rowley, G. W. P., presiding. Grand Conductor R. S. Wood, of Douglastown, was absent, with the 28th battery, Fredericton.

In his annual report the G. W. P. reported satisfactory progress during the year, with six new divisions organized. Commenting on liquor legislation he reported that the provincial government had granted some amendments, but he considered that the government had lost a golden opportunity to introduce prohibition at a time when European governments are taking this course. He charged that liquor dealers in St. John are openly violating the law by shipping liquor to prohibited territory.

Gain in Membership.

The grand scribe's report showed total gain of members during six months of 411. There are 69 divisions in good standing. Of these 44 have paid up to March 31, 1915; nine to Dec. 31; seven to Sept. 30, and nine more than two quarters in arrears. St. John district division was organized.

During the six months ending March 31, the total new members were 599 and the losses 188—net gain 411, bringing total membership up to 2,941.

The numbers by counties are:

	Divisions.	Members.
Northumberland	14	620
Charlotte	10	468
Westmorland	8	466
Kings	12	379
Kent	5	192
St. John	4	159
Restigouche	3	144
Gloucester	2	132
Queens	4	114
York	2	82
Carleton	2	75
Albert	1	63
Sunbury	2	47
	69	2941

The sum of $320.52 was due for per capita tax. During the last six months $269.93 was received for per capita and $59.45 for supplies; sundry, $2—total, $321.38. Expended, $308.73—leaving balance of $22.65. $27.29 is due national division. Finances in much better shape than at last meeting.

The grand scribe recommended insistence on the government providing machinery for law enforcement. He reported that ample satisfaction would be given Geo. N. Clark recently dismissed in Kent county. The plea wor prohibition had been denied. This was largely due to the lack of political organization on the part of temperance men. The government deserved credit for amendments to the liquor license laws. He advised pledging voters to support only temperance men as candidates for office. He thanked Messrs. Rowley, Bustin, Stavert, W. H. McDonald and H. H. Stuart and T. S. McAuley for help rendered.

Band of Hope.

Grand Patron Miss L. M. Kirby's report showed eleven Bands of Hope, an increase of two. These had 464 members—an increase of 43. Added to the 2,941 adult members, this makes 3,405 Sons of Temperance in New Brunswick on March 31.

Preliminary to the evening session the visiting delegates were entertained by the local members by a sail in the steamer Victoria to Crystal Beach, where supper was served on E. W. Rowley's grounds. The Sons of England band accompanied them and sports were indulged in. The return trip began at Eight o'clock.
