

MOVE MADE TO ABOLISH NEW YORK STATE ATHLETIC COMMISSION

ACTION TAKEN ON PROPOSAL OF GOVERNOR

Bureau in New Dept. of State, Headed by One Man, to Supervise Boxing

ALBANY, N. Y., Dec. 29.—The Legislative Reorganization Commission, following a three hour session, agreed to adopt Governor Smith's recommendations for the abolition of the State Athletic Commission, the State Fair Commission and others of the less important proposals.

The Republican majority in the Reorganization Commission may postpone all action on the controversial proposals until after the 1927 Legislature meets, it was learned.

The Athletic Commission which is to be abolished is headed by James A. Farley, chairman, and includes George E. Brower, Democrat, and William Muldoon, Republican. Boxing in New York State will be regulated in the future by a bureau in the new Department of State, to be headed by one man.

FOUR TEAMS TIED IN INTER SOCIETY

St. John The Baptists and St. Peter's Winners Last Evening

The four teams comprising the Inter-Society Basketball League are now tied for first place as a result of the games played on the Y. M. C. I. floor last night.

In the first game St. Peter's defeated the Y. M. C. I., 39 to 37. The winning goal was scored in the overtime period by McGourty, who starred for the Saints all during the game. The last period and the overtime witnessed some flashy basketball and thrilled the large crowd of fans present.

Kennedy featured for the Institute boys.

St. Rose's and St. John the Baptist dashed in the second game and at the end of the first period St. Rose's were in the lead, 19 to 15. They maintained their lead in the second period and were 15 points ahead of the Baptists when the Saints rallied and, overcoming the lead, won out, 36 to 32. Some pretty combination was displayed in this half. Chandler and Kirk starred for the Saints. Lawlor, Dwyer and Stevens are shaping up as a pretty tight defense.

Fred Coughlan refereed the opening game and "Eddie" Sterling the second contest. E. Fitzgerald scored and P. McGarrigan handled the watch. The summaries:

NEW SCANDAL IN BASEBALL

WORLD MOOTED

Risberg of "Black Sox" Says He Can Implicate 20 Big Leaguers

CHICAGO, Dec. 30.—A new baseball quiz may come out of declarations of Charles "Swede" Risberg, former Chicago White Sox shortstop, that he can give baseball's bosses information that will implicate 20 big leaguers, who never before have been mentioned in connection with chokeness.

Risberg, banned from baseball as the result of the 1919 world series scandal, made his statement to the Chicago Tribune at his Minnesota dairy farm, and immediately drew from Commissioner Landis a declaration that he would welcome hearing Risberg's story.

"Most certainly he would be welcome," the commissioner said, after reading Risberg's accusations, but he declined to comment on the statement, in which Risberg declared "Landis and the big bosses of baseball don't want to know the facts."

The Tribune said: "It was a kindly man who began to read the statement, and a burning nemesis who finished."

CHALLENGES LANDIS

Risberg told the newspaper there has been plenty of "crooked work" going on in baseball, and continued: "If Commissioner Landis and the owners and managers haven't seen it they're blind. Landis and the big bosses of baseball don't want to know the facts. This is a challenge to the commissioner. Let's see what he'll do about it."

BIG SHAKE-UP FOR MAROONS OF MONTREAL DUE

Reported World Champions to be Reorganized—Strachan Negotiating

PITTSBURGH, Pa., Dec. 29.—President Strachan of the world champion Montreal Maroons, within a week may change the team that brought his city the highest honors in hockeydom. This became known when the Montreal club owner tried to make a deal with Odie Cleghorn for several of the Pirates.

Strachan will sell or trade at least five of the present members of his championship team, but when he offered Skipper Cleghorn a bundle of cash for Duke McCurry, the local leader would not talk business. The
