HON. MR. MEIGHEN IS NEW PREMIER

Sir Robert to Hand Over Command on Saturday — The Youngest Prime Minister Since Confederation — Rowell and Burrell Withdraw.

Ottawa, July 7.—The resignation of Sir Robert Borden as prime minister will take effect on Saturday. He will be succeeded by Hon. Arthur Meighen, minister of the interior, who has undertaken the formation of a new administration. Official announcement to this effect was issued from Government House at 11 o'clock tonight. The announcement reads:

"The formal resignation of Sir Robert Borden will be tendered to His Excellency the Governor General on Saturday next the tenth instant, and will be accepted by his excellency with great regret. His excellency has entrusted to Hon. Arthur Meighen, minister of the interior, the formation of a new administration and Mr. Meighen has undertaken that duty."

There are to be two retirements from the cabinet, Hon. N. W. Rowell, president of the privy council, is retiring to private practice; Hon. Martin Burrell, minister of customs is to become librarian of parliament. The two retirements, it is said, are not due to the change in leadership.

Mr. Burrell has for some time expressed a desire to return to private life. Mr. Rowell's resignation is based on the point that a new party being created, and an administration formed to represent that party, he is entitled to ask "an honorable discharge."

The position which Mr. Rowell takes is outlined in the following official statement also issued tonight:

"About four months ago Mr. Rowell announced to the prime minister that at the close of the recent session he would retire from the government. This announcement was communicated to caucus on Thursday last, but at the urgent persistent request of the Liberal-Unionists in parliament and of the entire caucus, Mr. Rowell promised to consult with his friends in Ontario and communicate his decision to the prime minister as soon as possible. Today Mr. Rowell has informed the prime minister that, after such consultation and after having given further and full consideration to the subject he finds himself unable to reach any conclusion other than that he must resign. Mr. Rowell's resignation was announced to Sir Robert Borden some four months ago and given to caucus on Thursday last. That conclusion was as follows:

"That when a decision should be reached that the work of the Union government as such was finished and that a new departure should be made by the creation of a new party and the formation of an administration to represent that party, he might fairly ask an honorable discharge. Mr. Rowell will, therefore, retire from the government when the prime minister's resignation takes effect."

Youngest Prime Minister.

Hon. Arthur Meighen was forty-four years of age on June 1st, and is therefore believed to be the youngest prime minister of Canada since confederation.

The Cabinet.

Whether new cabinet timber will be brought into the combination with Hon. Mr. Meighen is not known, but it is not unlikely that Messrs. F. B. McCreery (Nova Scotia) and H. W. Wigney, St. John (N.B.), are in the city. It may be that the new premier will attempt at once to get New Brunswick and Nova Scotia representation into the cabinet.

Another British Columbia member cannot be obtained yet, while, but if the resignations expected come no doubt an effort will be made to place H. H. Stevens. T. L. Tweedie, of Calgary, is also in view if a western minister is lost.

CHEERING CROP REPORTS

The crops of Western Canada are unusually good for this time of year, according to a detailed report published by the Free Press of Winnipeg.

Two hundred and forty correspondents sent in reports on conditions in their localities, as of June 30 last. The amount of wheat in the short blade is surprisingly large in view of the late seeding. Commenting on this, the Free Press recalls that in 1915 (the year of the man-moist crop) wheat, on June 22, was just beginning to recover from bad frost. Condition of present crop gives hope of an early and abundant harvest.

Stillwell, deputy grand master at arms, officiated at the installation.

FILIPIN HONOR PRIZE

Sydney, Australia, May 24.—(Associated Press Correspondence)—When the Prince of Wales was in the Fiji Islands, en route from Honolulu to New Zealand and Australia upon the warship Renown, the Filipinos presented to him many valuable teeth. These are so valuable, according to native standards, as practically to be the gold reserve of the islands. The prince also received as gifts many handsome native mats.

ANOTHER LYNCHING

Negro Accused of Attacking Girl is Hanged to Tree with Chain.

Durham, N. C., July 8.—Taken from the county jail at Roxboro by a mob of more than 200 masked men a few hours after he had been arrested on a charge of attacking a thirteen year old white girl, Ed Roach, twenty-seven, a negro, was lynched yesterday in a church yard three miles from the jail. He was hanged to a limb of a high tree, a chain being used instead of a rope. As his body swung upward it was riddled with bullets.

Sheriff Thompson pleaded with the men to let the law take its course. The leader of the mob is said to have given the sheriff three minutes to leave the vicinity of the jail. He left. Roach was rushed to the scene of the lynching in an automobile. A long procession of machines filled with masked men followed.
