MARINE NOTES.

There were no departures or arrivals of vessels, other than coastwise craft, yesterday except three gasoline schooners with herring for the Eastport sardine factories. These were the schooners Frances, Black Diamond and Sylvia. W. Beal, which got away with 35, 57 and 40 hogheads of herring, respectively.

Several steamers are expected on Sunday or early next week with sugar from Cuba for the Atlantic Sugar Refineries.

The steamer Granpion of the C. P. O. S., Minnedosa of the same company, and the Cassandra of the Anchor-Donaldson Line will sail from Montreal this week-end. The Pretorian and the Metagama are expected to arrive at Montreal within a few days' time.

The steamer Montara, which was wrecked on the beach near Louisburg (C. B.), a few weeks ago and is now lying there broken and submerged, is to be sold with all her fittings and stores by auction next Monday.

The car ferry Prince Edward Island came out of dry dock at Halifax on Wednesday and soon will resume her sailings between Cape Tormentine and Cape Travis. Two submarines, the H. S. 14 and the H. S. 15, were floated into the dock after the car ferry was taken out and will likely be in the dock about two weeks during which time they will be cleaned and painted.

The government steamer Aberdeen is placing buoys between Brier Island and Yarmouth Cape and is also supplying the Cape Sable, Seal Island, Machias and Point Lepreaux lights with coal and oil.

Peculiar Tragedy.

Winnipeg, Sept. 10.—George Mohen, 24 years of age, a Dakotah, a settlement twenty-two miles southwest of Winnipeg, washed his overalls in gasoline when he had finished work on a threshing machine. Later he scratched a match on the denim, which caused a miniature explosion. The flames spread quickly and Mohen died from his injuries.

**The Miracle Man Said:
 "Let There Be
 Business"**

**And Behold,
 Record-Breaking
 Business Came**

How they poured into this store—a seething mass of economy seekers. Some came with the "Show me" spirit—they were shown, some came with rapacious appetites for bargains, they bought bounteously, some came out of curiosity to see what marvels a Miracle Man can work—they remained to praise and to profit.

At times the buying overwhelmed us—swept beyond our control but not beyond our resources—reserve forces of salesmen were rushed into action and everyone was served, and satisfied with the greatest apparel money savers that ever hit town. Fine merchandise absolutely below wholesale replacement value today.

And still this carnival of economy goes on—this festival of future values, this banquet of bargains. There will be no halting or relaxation, no retrenchment from the extraordinary value-giving until stock clearance is accomplished. Your chance beckons you, economy urges you not to evade it. Get your share.

But buy these suits for less than we'll pay for equally good values at wholesale for fall.

**Form These
 Good Habits**

WHENEVER anyone in your family comes home chilled from exposure to cold and damp, let your mind instinctively think of the bottle of PERRY DAVIS PAINKILLER in the cupboard, and give, without delay, a teaspoonful dose in a cup of hot, sweetened water or milk. This prompt treatment with this reliable household medicine wards off the evil after-effects of a chill, such as Colds, Bronchitis, La Grippe, and Pneumonia.

Again, think of PAINKILLER if seized with an acute attack of Cramps and Colic in the stomach and bowels; generally accompanied with great pain, Diarrhoea and a feeling of collapse. Usually these attacks result from unwise eating, chill from sleeping uncovered during the late part of the summer, etc.

A teaspoonful dose or two of PAINKILLER then will earn your gratitude, and people who have once experienced the agony of such attacks and the relief afforded by PAINKILLER, seldom fail thereafter to keep always on hand a bottle of this reliable remedy.

Again, think of PAINKILLER whenever a child begins to develop a sore throat or Bronchial Cough. Wring out a flannel cloth in a cupful of hot water to which a teaspoonful of PAINKILLER has been added, wrap around the child's throat, and cover with another flannel to keep dry. (Do this at bed time). The warmth and drawing-power of the PAINKILLER soothes, induces sleep, and counteracts the inflammation. Many a mother has been spared a sleepless night for herself and her child by this simple, effective, home treatment.

PAINKILLER is also valuable as a liniment for Sprains, Bruises, Insect Bites, Stings, etc.

PERRY DAVIS PAINKILLER has been on the market for over seventy-five (75) years. It is used in nearly every country on the globe by thousands of families of every race for the purposes described above.

Every family and every traveller will do well to have always on hand a bottle of this reliable household medicinal preparation.

Health on the High Seas

The sailor is always in danger of sickness, owing to lack of fresh food and water, and exposure to all kinds of weather. Capt. Geo. E. Dakin, of Sand Cove, N. S., was forced by illness to give up his vessel, after sailing for several years on long Eastern trips. He says that

**HAWKER'S
 NERVE and STOMACH
 TONIC**

enabled him to regain his health, and resume his command. "I was weak, nervous, had no appetite, could not sleep, and was completely run down. I was advised to try Hawker's Nerve and Stomach Tonic, and am pleased to say that four bottles of the tonic restored me to perfect health."

This wonderful remedy will quickly correct any disordered condition of the nerves or stomach. What it has done for others it will do for you. Give it a trial.
