NEW ZEALAND HEARS CANADIAN RADIO

Calgary, March 27.—The growing efficacy of radio as an advertising medium for Canada is again shown by a letter just received by W. W. Grant Radio, Ltd., to the effect that the Canadian National Railways programme broadcast from CPN on Feb. 27 was heard at Motekua, New Zealand. The writer states that he picked up music broadcasting closed down. He also stated he was the only person at that point who had heard Canadian stations.

HOLDS SERVICE AT LUMBER CAMP

Rev. A. E. Dickinson, rector of St. Martins, recently held service at Lockhart's lumber camp, in the Salmon River woods, and also addressed the men. Others interested, including several women, made the trip from Greer Settlement to help with the singing. Owing to one or two mishaps on the outward and homeward journeys several passengers were precipitated into the snow, but these things did not result in any damage being done.

Make and Keep Your Floors Attractive

Above—A few of the more popular patterns now on display in your local store.

DOMINION Linoleum Rugs add to the general scheme of room decoration, and are available in many different combinations of color so that you may choose to suit individual preference.

Never before were so many pleasing patterns available. There are predominating blues, reds, browns and greys. Some patterns are of the large block type—others smaller, and some are distinctly floral. Every rug may be bought in sizes to suit individual rooms.

Each returning season there is increasing interest in and greater use of linoleum rugs. They are easy to lay, easy to clean, easy to move about at will. They look well. No fastening is needed—for linoleum rugs lay flat and cling to the floor because of their strong burlap back.

It will be worth your while to call on your dealer and see the many pleasing patterns for yourself. Or if you want to see what a wide range there is from which to select, write for our Rug Folder, in colors. It also contains suggested room treatments. And be sure, before you buy, to look for the Dominion Trade Mark on face of goods, and for the strong burlap back.

This label appears in colors on all Dominion Linoleum and Dominion Linoleum Rugs. Look for it.
