

and from each of the absent members a letter of greeting. We had eight letters in all—received from Edinburgh, Scotland, California, British Columbia, Detroit, etc. Everyone present enjoyed these breezy New Year messages. We had the pleasure of having with us that evening Rev. Mr. McWilliams, Peterboro'; Rev. Mr. Freeman, St. Paul, Minn.; and Mr. Solman, each of whom addressed us briefly with words of encouragement. Two of our members favored us with solos, after which we were entertained by the Social Committee with light refreshments. After God's blessing had been invoked, we parted to meet in another year.

In concluding our report we make an urgent appeal to all the young people of our congregation to join us in the great work for "Christ and the Church;" but if not prepared to unite with us, we will gladly welcome any such, who may visit us, and with the hearty co-operation of all, we look forward to the ingathering of a bountiful harvest for our Lord and Master, Jesus.
