NOTICE

1. Files should be sent in of no number than absolutely necessary. If a file is frequently needed at short intervals, it is better to R.F. it for two or three days than keep it out of Central Registry indefinitely. This course is being suggested and kept in view, and also gives other offices an opportunity to see same.

2. Central Registry should be notified whenever a file is passed direct to another branch.

3. All outgoing letters should bear the official file number.
