

The Paris Soir thus ironically notices the national thanksgiving:—"The Fete which took place yesterday at London for the restoration of the Prince of Wales's health was splendid. There were only seventy wounded and one killed."

Discerning child (who has heard some remarks made by papa)—"Are you our new nurse?" Nurse—"Yes, dear." Child—"Well, then, I'm one of those boys who can only be managed by kindness—so you had better get some sponge cake and oranges at once."

A widow, who had just lost her husband, was weeping bitterly for the dear departed. A friend tried to console her. "No, no," said the fair mourner, "let me have my cry out; after that I shall think anything about it."

Defer not charities till death. He who does so is liberal of another man's substance than his own.

Pleasure is a nut which, if not chosen with judgement, may cost you a tooth, and pay you with nothing but a worm.

CONSUMPTION,

and acknowledged by many prominent physicians to be the most reliable Preparation ever introduced for the RELIEF and CURE of all
LUNG COMPLAINTS.

This well known remedy is offered to the public, sanctioned by the experience of over forty years, and whose efficacy is in season, seldom fails to effect a speedy cure of
Coughs, Colds, Croup, Bronchitis, Influenza, Whooping Cough, Hemorrhages, Pains or Soreness in the Chest and Lungs, Bleeding at the Lungs, Liver Complaint, &c.
The unequalled success that has attended the application of this medicine in all cases of
PULMONARY COMPLAINTS.

has induced many physicians of high standing to employ it in their practice, some of whom are in possession of the most reliable Preparation ever introduced for the relief of their own patients. We have space only for the names of a few of these:—
ALEX. HAYES, M.D. A. A. OBER, M.D.
E. BODDER, M.D. W. H. WARR, M.D.
W. A. RICE, M.D. W. B. LYNN, M.D.
R. FELLOWS, M.D. A. WILLIAMS, M.D.
NATHAN FLETCHER, M.D. H. D. MANTON, M.D.
H. S. BARLOW, M.D. W. A. SHAW, M.D.
EDWARD KRAFT, M.D. A. P. MANSFORD, M.D.
BETWEEN TRACER, M.D. S. H. THURMAN, M.D.

Such testimony
CANNOT BE DISCREDITED.
From the mass of evidence in our possession we select the following:—
From L. J. HASTING, Esq.,

of Le Mans, Montreal. "Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express my great confidence which I have in its efficacy. For many months I was most severely afflicted with a croup and asthmatic cough, accompanied with acute pain in the side, which did not leave me, summer or winter. The symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting. After taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to health. I have used the Balsam in my family, and administered it to my children with the happiest results. I am sure that such Candidates as see the Balsam, but speak in its favor, it is a preparation which has only to be tried to be acknowledged as the remedy for croup."

A CURE FOR WHOOPING COUGH.
ST. HENRI, C.E., AG. N. B.
Messrs. SETH W. FOWLE & SON.
Gentlemen—About twelve months since a little daughter of mine, ten years of age, was taken with Whooping Cough, a very dangerous form, and nothing was doing for her seemed in any way to relieve her suffering. As a last resort, I procured a bottle of Dr. Wistar's Balsam of Wild Cherry. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since used the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure.
Yet are at liberty to make any use of the above you shall proper. I shall induce anybody to use the Balsam I shall be glad, for I have great confidence in it.
Yours,
F. GUTHRIE,
Proprietor of the Courier de St. Henri.
