CLOSING HOURS FOR VANCOUVER BARS

commendations to the City Council

Commissioner Crehan gave notice for a special meeting to be called not later than Friday next, to amend by-law 6 to add the words "that wholesalers shall sell only to license holders." He did this on account of the trouble they had at the east end of the city with the number of drunks on Sundays, and he thought it only right that the board should give this matter some attention. Inspector McMaher explained that it was the custom of a large number of its words. The same of the creamery association have control the resemt in view of the fact that a great deal of public work was the first in view of the fact that a great deal of public work was the custom of a large number of public work was the first in view of the fact that a great deal of public work was the first in view of the fact that a great deal of public work was the first in view of the fact that a great deal of public work was the custom of that a great deal of public work was the custom of the tould not be better effected than by a management which would devote its entire about \$3,000 worth of stock in the new company and that a great deal of public work was the custom of a threat a great deal of public work was the could not that a great deal of public work was the could not that a great deal of public work was the could not that a great deal of public work was the could not that a great deal of public work was the could not that a great deal of public work was the could not that a great deal of public work was the end of the whole dairy business of Cowlination in the city impossible to blockade a French port. According to Vice-Admiral Besson it that a great deal of public work was the numited.

In the end after a thorough study of the new company and keep the whole dairy business of Cowlination in the city impossible to blockade a French port. According to Vice-Admiral Besson it that the world be practically impossible to blockade a French port. According to Vice-Admiral Besson it that a great deal of public world not because the world not because t it was the custom of a large number of sideration.

should ask the police commissioners to instruct the inspector to keep a strict system.

Ald, Fower considered that the city should ask the police commissioners to instruct the inspector to keep a strict system.

Ald, Fower considered that the city was rather small to introduce the inspector to keep a strict system. the inspector to keep a strict syste in which liquor is sold illicitly, especially on Sundays, and as we, the eration. missioners, are using our best endeavors and have succeeded in stopping the illicit sale of liquor in license houses and as the illicit sale is out of our hands, we would ask that the police put a stop to this nefarious trade." This was seconded by Mr. Crehan

Mr. Findlay proposed: "That in con sideration of a movement now under way, emanating from a section of our citizens, asking that the hours of the keeping open of hotel bars be shortre the license board, would reend to the city council—as th fixing of such hours lie with themthat they comply with such request i this degree, and this degree only, that is to say: That all bars be closed up | to the hour of 7 a. m. of the morning following; this to apply to every day of the week except Saturdays and Sundays, when bars shall be closed at power in p. m. sharp upon Saturday night and near remain closed up to the hour of 7 a. plans of the proposed huge plant with m. of the Monday following, this same a daily capacity of 25,000 horse-power amendment to existing by-law to apply to all hotel cafes, and all other premming under the liquor by-laws. We the licensing board of the city
