Dec. 15th, 1924.

To W. E. Ditchburn:

Please help us on this matter, tell the Indian Agent at Kamloops, B. C., or Indian Inspector to give us the money from the stumpage money we suppose to get every three months. We suppose to get the first payment on June 1st, 1924, and we suppose to get it every three months on till the first June again. There is no more work here now, that why we need the money right away, lots of this poor people needs the money. If you please tell the Indian Agent at Kamloops, and we never see an Indian Agent for two years to settle our troubles. We don't know why.

Much obliged,

Yours truly,

(Sgd) Chief Sandy and Band,
