GOOD FRIDAY SERVICES

WERE WELL ATTENDED

All the City Churches Observed
the Day, Yesterday with
Special Services—Congrega-
tions were Large.

Good Friday was religiously observ-
ed throughout the city yesterday,
special services being held in many
of the churches.

The customary ceremonies were
carried out in the various Roman
Catholic churches. In the cathedral
the Passion was sung and the mass
of the Presanctified was celebrated by
His Lordship Bishop Casey, assisted
by Rev. D. S. O'Keefe, and Rev. W.
Duke. At the close of the ceremonies
the bishop delivered an eloquent ser-
mon on the Passion.

The day was kept in special man-
ner in Trinity church. At 10 a. m.,
the service consisted of morning
prayer and sermon. The pulpit
the morning service was occupied by
Rev. J. W. Stewart. In the afternoon
a three hour devotion was held from
noon until three o'clock, and the Rev.
R. A. Armstrong preached. Evening
service was held at half past seven
and the choir rendered the "Darkest
Hour" during the service.

Morning prayer was conducted in
St. John's Stone church at 11 a.m.,
and in the afternoon the Women's
Bible Class met at three o'clock. The
church was crowded at all the ser-
vices and the music was in keeping
with the day.

In the Presbyterian churches ser-
vices were held during the day. In
St. Stephen's church the service was
conducted by the pastor, Rev. Gor-
don Dickie. Rev. A. A. Graham led
in prayer and the sermon was deliv-
ered by Rev. David Lang.

Service was conducted in Centen-
ary church by Rev. Charles Flanders,
D. D., hymns appropriate to the day
were sung by the choir, and a solo
was rendered by Mrs. Crockett. The
service was followed by the adminis-
tration of the sacrament.

PROTEST AGAINST

SUSSEX CAMP DATE

Special to The Standard.

Fredericton, April 14.—Good Friday
passed off quietly here with the usu-
al church services.

The Fredericton Gun Club's annual
shoot at the Flats today was won by
James S. Neill, a veteran shot, with a
score of 35 clay pigeons out of 50.

The R. C. B. team defeated the city
team in the first soccer football game
of the season at Scully's Grove, this
afternoon, by a score of 5 to 2.

The annual meeting of officers of
the 71st Regiment was held at the
Barker House today. A protest is to
be made by the officers of the regiment
at the order for the regiment to go
into camp at Sussex on the 13th of
June which is two weeks earlier
than usual. The officers claim it will
be impossible to get a full comple-
ment of men for the camp at such
an early date.

RAGING HEADACHE

STOPPED AT ONCE

When He Took "Fruit-a-tives"

Shanley, Ont., Sept. 23rd, 1910.

"You certainly have the Greatest
discovered Headache Cure in the
world. Before 'Fruit-a-tives' came
before the public, I suffered tortures
from Headaches caused by Stomach
Disorders.

"One of your travellers called on
me when I had one of my raging
headaches and had my head almost
raw from external applications.

"I hated to see any person coming
into the store (much less a com-
mercial traveller) and I told him very
curtly that I had a headache but he
insisted on my trying 'Fruit-a-tives'.

"I did so, with what I would call
amazing results. They completely
cured me and since then (nearly six
years ago) it is only necessary for me
to take one occasionally to preserve
me in my present good health. I was
52 years old yesterday and have been
a general store keeper at the above
address for twenty-five years."

As Mr. Pitt says "Fruit-a-tives" is
the greatest headache cure in the
world.

Dealers everywhere have "Fruit-a-
tives" at 50c. a box, 4 for \$2.00 or trial
size, 25c. or sent on receipt of price

TICKETS OUT IN THE

CHATHAM ELECTIONS

Special to The Standard.

Chatham, April 14.—The fire brigade
was called out this evening to a blaze
at P. M. Tweedie's foundry, situated
at the west end of the town. Shortly
before the fire discovered, the foundry
had been done, and it is supposed
that some molten metal must have
come in contact with some combust-
ible material. Little damage was
done, however.

The fire brigade this evening met
and presented Byrd Fraser, one
of the fire fighters, with a gold watch
on the occasion of his leaving
town to locate in Winnipeg.

The presentation was made by Chief Fitz-
patrick, and Mr. Fraser was about to
reply when the alarm for the fire at
the foundry brought the proceedings
to a sudden close.

R. A. Snowball leaves tonight for
Montreal to attend the funeral of his
mother-in-law, Mrs. McIntyre, who
died there very suddenly this morn-
ing.

The first step in the annual civic
elections was taken today when two
candidates handed in papers for the
office of mayor, and four others for
aldermen. There is only one regu-
lar ticket, that being Ald. Haley
for mayor, and Ald. Loggie and Abbott
and Mayor Snowball, with Geo. Groat,
Edw. Barry and J. V. Mervin, who
are running on a Scott Act platform
pure principle.

The candidates, while not actu-
ally forming a ticket, are working
along practically one line, though nom-
inally as independents.

They are Dr. Thos. Ives Byrne for
mayor; Alds. Williams and Cassin
for aldermen; Fred Benson and H. H.
Carvell, J. A. Hay, J. A. Kerr, A. Mc-
Lennan and J. L. Stewart. These
gentlemen, while not forming a ticket,
are running on a Scott Act platform,
and are believed to be the favorites
of the voters.

The annual meeting of the
Citizens' Association will take place on
Tuesday and shows every prospect
of a keen contest.

An accident occurred at Nelson
station today, when the freight train
from here collided with the local re-
turning from the Junction. The
guards in front of the engines were
smashed, but the damage done was
not serious. The engines continuing their
ordinary work. One of the employees
had his hand rather badly cut.

NOMINATIONS

IN NEWCASTLE

Newcastle, April 14.—Nominations
for mayor and eight aldermen closed
at six o'clock, and towards the closing
hours quite a surprise was sprung.
Ex-Mayor S. W. Miller was nominated
by his friends to contest the mayoral-
ty against Dr. A. L. Pedolli who,
many thought, would have been re-
turned by acclamation. For aldermen
eleven candidates, including four of
the old board, were nominated—Ald.
D. Morrison, Layton, Russell and Al-
lison with Mayor McMurdo retired.

Yesterday there were only three
men in the field, but candidates were
secured in the evening. Although
there are no organized tickets the
Scott Act promises to play a big part
in the election. The impression is
general that some objections may be
taken to holding nominations on a
public holiday, and an effort may be
made to place other candidates in the
field tomorrow.

CORRESPONDENCE.

To the Editor of The Standard.

Sir,—In an editorial paragraph in
Friday's Standard you said that I
sent to the Montreal Star "eulogistic
references to the very admirable way
in which this province is governed
under the present administration."

The statement is an absolute and
unqualified falsehood, for which I have
a right to expect a prompt apology.

Yours,

A. M. BELDING.

[The Standard does not keep these
"eulogistic references" on file in this
office, but there should be no difficulty
in refreshing what appears to be a
somewhat treacherous memory.—Ed.
Standard.]

THE ADDRESS

TO THE KING

Text Of The Message In
Which The Fealty And
Homage Of New Brun-
swick Will Be Conveyed.

Fredericton, April 13.—The follow-
ing address prepared by the special
committee which will be forwarded
to King George V. from the Legisla-
tive Assembly of New Brunswick:

Report Of Select Committee.

To the King's Most Excellent Majesty:

Most Gracious Sovereign:—We,
Your Majesty's most dutiful and loyal
subjects, the Legislative Assembly of
the Province of New Brunswick, Dom-
inion of Canada, in Parliament assem-
bled, desire in our own names, and
on behalf of the people we represent
to assure Your Majesty of our devo-
tion to Your Majesty's Throne and
Person.

We rejoice that Your Majesty has
thought it advisable to fix a day now
near at hand, for the formal assump-
tion of the Crown of the great Empire
inherited from your ancestors, over
which you have been called upon by
Providence to bear sway, for, though
we require from Your Majesty rather
definite promise or solemn oath that
you will follow in the footsteps of
your illustrious and ever to be lament-
ed father and grandfather, in preserv-
ing in their fullest integrity the rights
and liberties of your subjects, yet we
feel that the utmost splendor and
solemnity should mark the occasion
of Your Majesty's being invested with
the most ancient and glorious Crown
among the nations of the globe.

Though a distant part of Your Maj-
esty's vast dominions, we assure you
that the stream of loyalty to your
Throne and person flows as deeply
and strongly in this Province as in
any part of the Empire. We are
proud of our part in all the glorious
traditions of the past and we are con-
fident of the potentialities of the fu-
ture of the Empire. We rejoice in
the strong arm that is always so will-
ingly and promptly extended to pro-
tect Britons even to the outposts of
the world, and we assure Your Maj-
esty that in this Province by the sea,
thousands of strong arms and stout
hearts are ready always to follow the
fortunes of the flag wherever threat-
ened.

We hope that Your Majesty's Royal
Consort may long be spared to reign
by your side, to rejoice with you in
your joys, to comfort you in your
sorrows, and to continue and extend
the many works of charity and mercy
with which she has been so closely as-
sociated.

We trust that Your Majesty may
enjoy a long, happy and glorious reign.

HON. J. D. HAZEN.

(Fredericton Gleaner.)

We think that all candid men in
this province, whether political
friends or foes of Hon. J. D. Hazen,
will be glad to hear that the hon-
orable member for New Brunswick, he
has "made good." During the three
years that he has held his present
office, he has shown himself to be a
man of high character and devoted
to his time almost exclusively to the
affairs of the province, not only in
working out the many reforms which
have been effected in the various de-
partments of government, but in ex-
ercising a reasonable oversight of all
proposed legislation.

Through the careful methods adopt-
ed by the premier, it is not now nec-
essary, as it was in too many cases
in the past, to take up the time of
the House with legislation amending
the House with legislation amending.
In the following sessions the acts of
the preceding sessions. Now every
bill submitted to the House has been
carefully considered beforehand, and
is ready to stand the test of time.

The premier has made the interests
of the province his first considera-
tion, and nothing has been sacrificed
to financial interests or to greedy par-
tisans. Invariably the utterances of
Hon. Mr. Hazen are characterized by
robust common sense and resolu-
tion, and his action which follows the
spoken word.

Under his leadership there has been
a marked development of various sec-
tions of the province, just but coura-
geous dealing with the lumbermen, a
sound and liberal mining policy, pro-
gress in the protection of our forests
and an intelligent conservation of the
provincial resources, and a material
advance has been made in the appro-
priations for education, agriculture
and for our highways and bridges. In
short, in every department there has
been energy and efficiency and a rigid
subordination of partisan considera-
tions to the public welfare.

And what is most noteworthy and
most admirable is that after three
years of office there is no sign of that
looseness which so easily develops in
public departments, no slackening of
devotion to the public interests, and
no decline of the constructive energy
which so signally marked the begin-
ning of the administration of Premier
Hazen.

In a few weeks the premier will be
leaving the province to take part in
the Coronation festivities in the Moth-
er Country. It is needless to say that
Premier Hazen cherishes the sacred
traditions of Britain and British in-
stitutions. He reverences the British
genius for civil and religious liberty
and for spreading those blessings to
the ends of the earth. For these and
other reasons he will worthily repre-
sent the loyal democracy of New
Brunswick at the Coronation cere-
monies. An ardent Imperialist, he re-
cognizes the fundamental truth that
the limited monarchy is the chief link
of the Empire and that high ideals for
the human race are its strongest but-
tresses.

Easter Headdress Truly American

This striking Easter headdress leads us to believe we are harking back to aboriginal days. The band around the head is of white satin and silver thread. The long plumes that hang from the band are made of short ostrich tips caught in with diamond-shaped rhinestone decorations. This arrangement is said to be particularly effective when worn in connection with the new flat style of hairdressing with the curl-covered temples and ears.
