SOCCER PLAYERS SOLD
London, May 28.—The sensational transfers of soccer players announced last week are followed by more equally startling, quite the feature being Manchester City paying Derby County \$12,500 for the transfer of Barnes, who is considered the finest inside left in the country. Sheffield Wednesday invested part of his big profit by paying \$2,000 for James Blair of Clyde, while Galt of Glasgow Rangers, has been transferred to Everton at a huge fee, which has not been disclosed.

Newcastle United caused a big stir by offering Swindon Town \$15,000 for Fleming, but the famous international remained loyal to his old club and re-signed, as well as all his five other players who won the Southern League championship. It also captured Milton from Sunderland and Dwyer from West Ham United, parting with Brady, who goes to Chelsea. West Bromwich Albion loses two fine players, Palfrey going to Newcastle United and Varty to Heart of Midlothian.

There have been many queer developments and freakish plays in the history of baseball, but the one that takes the cake and the whole bakery was staged in the Indiana city of Muncie, twenty-four years ago, come to-morrow. A big holiday crowd of Hoosier fans witnessed the peculiar pastime, which was a regular pennant game between the Muncie and Anderson clubs of the Indiana State League. The remarkable chapter of the contest was confined to one inning, when the Anderson players made six hits—three triples, a double and two singles—without scoring a single run. This seems impossible, but it is true, and this is how it was pulled off:

Ireland, the first man up, landed on the leather for a triple, and tried to get home on a passed ball but was kicked at the plate. One man out. No run. Wisewell up. He landed on Joe Goar's delivery for another three bagger. When he reached the third station he kept right on running, trying to stretch it to a homer, but the pill was relayed in from deep center field in time to get him at the plate. Two out and still no run. Shumway also had the triple hit, and banged the ball to the fence. He played safe

and roosted on third. Derby up. He bunted one down the third base line, but the third baseman thought it was foul and did not rush to get it. When it finally percolated through his cerebrum that the bunt had rooled fair, Derby was on second. Shumway was still hanging on to third. Raats was the next batter, and he got a single on a ball bunted down the third base line. The bases were then crammed, and three triples, a double and a single had been made off Goar's delivery, with two men cranked and no runs yet scored. Fear came to bat and biffed the ball on the nose for a hard liner between first and second which hit Raats, who was running from first to second, on the leg. This made three outs, but Fear was credited with a single. Thus this single inning yielded Anderson three triples, two singles, and one double, but not a solitary run.

The opposite extreme of this remarkable feat is to be found in the record of a game played at Cleveland about six years ago, between Cleveland and Boston, when two runs were scored in the fifth inning, each player who made a hit scoring a run, and nine players making hits.

Evidently the trip around the world didn't hurt Joe Benz from the way he is working this season. A year ago he would have gone back to the minors but Connie Mack refused to waive on him. Calahan is very glad now that he held on to him for the Chicago Americans.

Benz is taking his turn regular now with Scott Cloutis and Russell, being the only spitballer on the White Sox unless Ed Walsh comes back or Jasper comes forward.

SOCCER FOOTBALL YESTERDAY

The Caledonians met the Fairville club in a league game last night on the Barrack Square and after a very good game won out by 4 goals to 1. This game killed Fairville's chance of winning the British cup. They have only another game to play, that is against St. John, in the city, and their hope of winning that game is very remote.

The teams are composed of eight men each from the different provinces, the ranges being 200, 300 and 700 yards, seven rounds at each. THE KING'S HORSE WON YESTERDAY

Epsom, Eng., May 28.—Many Americans who won large sums on the victory of Durbar II, in the Derby, returned here today to bet on one or more of the three \$5,000 classics that were on the programme. King George came out from London but because of bad weather conditions, Queen Mary did not appear. It was estimated today

STEVE EVANS, WHO IS A FAVORITE WITH BROOKLYN FEDERALS 'FANS'

"Steve" Evans continues to crowd into the limelight daily at Washington Park, Brooklyn, N. Y., where the Brooklyn Federal League team is making its first stand against the invaders from the Western end of the organization's circuit. The happy-go-lucky Evans, who rivals Herman Schaefer as a comedian, according to the ball players who know the erstwhile globe trotter well, has devoted himself to serious business across the bridge, and with a batting mark of .405 in twenty games has won a firm place in the affection of the Brooklyn "fans."

that Americans won fully \$700,000 as a result of H. B. Duryea's horse capturing the Derby. Mr. Duryea was the largest individual winner, but scores of others had drawn sums ranging from \$10 to \$2,000.

Great Surrey foal stakes, five furlongs for two year olds, was won by King George's Friar. Marcus Bright was second and Cherry Higon was third.

Royal stakes handicap of six furlongs for three year olds and up, was won by P. Broome's Neville Holt. Bugler was second and Jarnack II, third.

BASEBALL PLAYERS IN A FIGHT

St. Louis, May 28.—Daniel Griner, pitcher for the St. Louis Nationals, and Theodore Calber, outfielder, were fined \$100 each by Manager Huggins today for fighting in the clubhouse. Neither player accompanied the club last night to Chicago. Calber remained behind to nurse his jaw in which a doctor took five stitches after the fight.

THIS DATE IN RING ANNALS

Friday, May 29, 1907—Billy Papke and Tony Caponi fought 15-round draw at Davenport. This was the first really important battle in which the "Illinois Thunderbolt" was a principal. Before that he had met only local boys around his Illinois home. Caponi was an Italian middleweight, hailing from St. Paul, and had a wide reputation as a hard-hitting, clever boxer. Few of the Iowa fans at the ringside considered that Papke had a chance. Billy and Tony put up a ferocious, slug-giving battle, and at the finish there was little or nothing to choose between them, although Papke was entitled to whatever shade there was. A little later Papke and Caponi fought another draw, but by the close of the year Papke had gone ahead so rapidly that when he met Caponi a third time, in Peoria on Nov. 14, he easily put the St. Paul man to sleep in the second round.
